This Is Not a Cholent Sarah Sassoon,2024-05-07 Amira loves cholent the special stew her family eats on Shabbat And this year she and Nana are competing in the big cholent competition They use their Iraqi family s special recipe But when people see the ingredients they say This is not a cholent Even the judges don t know what to do Can Amira and Nana show that their cholent is a winner **Shapiro Family Good Times Cookbook** Sidney Shapiro, **The Rabbi's Cholent** Norbert

Weinberg,2009-08-27 An old maxim states that a rabbi delivers three sermons every Shabbat morning The first is the one he prepares The second is the one he delivers followed by the third which is the one he wishes he would have delivered The bulk of this book is inspired by the third part of this adage There are so many ideas concepts and even proverbs which the author was eager to share with his congregants students and friends However people s lives are busy and few opportunities present themselves to express favorite and cherished perceptions and ideas Since Rabbi Weinberg s hobby is to cook bake and putter in the kitchen the thought struck him that an intellectual spiritual cholent recipe encapsulated in the pages of a book might give him and his readers an enriching experience The themes are eclectic and run a free course They are culled from study experience and much of what has been heard and observed The reader is invited to enter this charming world of thought hypo thesis and speculation Each essay will doubtless trigger many personal thoughts and experiences in its wake **The**

Diner,Simone Cinotto,2018-01-01 The history of the Jewish people has been a history of migration Although Jews invariably brought with them their traditional ideas about food during these migrations just as invariably they engaged with the foods they encountered in their new environments Their culinary habits changed as a result of both these migrations and the new political and social realities they encountered The stories in this volume examine the sometimes bewildering kaleidoscope of food experiences generated by new social contacts trade political revolutions wars and migrations both voluntary and compelled This panoramic history of Jewish food highlights its breadth and depth on a global scale from Renaissance Italy to the post World War II era in Israel Argentina and the United States and critically examines the impact of food on Jewish lives and on the complex set of laws practices and procedures that constitutes the Jewish dietary system and regulates what can be eaten when how and with whom Global Jewish Foodways offers a fresh perspective on how historical changes through migration settlement and accommodation
