Educational Psychology Australian Edition Anita Woolfolk, Kay Margetts, 2012-07-25 Learning and teaching is an integrated process and theory and practice cannot be separated. As in the previous Australasian edition, *Educational Psychology 3e* continues to emphasise the educational implications and applications of child development, cognitive science, learning and teaching. Recurring themes throughout the text include ideas about education, social and socio-cultural aspects of education, schools, families and community development, learning and curriculum, and effective teaching. Author Kay Margetts incorporates Australasian perspectives and applications using the work of Australasian researchers and teachers. Numerous examples, case studies, guidelines, and practical tips from experienced teachers are used in the text to explore the connections between knowledge, understanding, and practice.
