Praise for John Harrison: Britain's greatest allotment authority. Independent on Sunday. Cook's Illustrated Revolutionary Recipes America's Test Kitchen, 2018-10-23 2019 IACP Award Winner in the Compilations Category. On the occasion of Cook's Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands-on book packed with practical tips and techniques. These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing, culinary research, science and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated, creative use of the beloved front and back cover art and a new addition: gorgeous full color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy free, the fastest roast chicken recipe, oven-grilled London broil and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust and many more. *The 150 Best American Recipes* Fran McCullough, Molly Stevens, 2006 The Best of the Best from the Last Decade. Acclaimed by the critics, The Best American Recipes series has long been the universal choice of home cooks and professional chefs as the one infallible source of the year's most dazzling recipes. Now in *The 150 Best American Recipes*, two of the food world's most respected professionals pull out all the stops to create the ultimate resource: a can't-live-without-it collection of the most exciting recipes of the last decade. Out of literally tens of thousands of recipes that have appeared in print in cookbooks, magazines, newspapers and even in flyers and on the Internet, from the deservedly famous to the wonderfully obscure, from top-flight chefs to unknown but gifted cooks, they chose the most distinctive. Then came the key step: extensive testing in their own kitchens. If the dish wasn't spectacular, it didn't make the cut. Finally, they pitted their favorites against one another and chose the winners: the very best of the best. In *The 150 Best American Recipes*, you'll find
