I clip them from the magazine
And from newspapers too,
I gather them from neighbors, friends . . .
And this is nothing new.
I take them down from radio
And file them all away,
From TV cooking schools I find
New dishes day by day.
What fancy menus do I plan
From all the recipes;
O I'll bake this and I'll cook that . . .
The family will I please.
And yet somehow I find myself
Repeating, so it seems,
The same old meals I've done for years . . .
The rest are in my dreams.

The final section discusses ways of developing creativity in the modern languages classroom through the use of drama, creative writing, and role play. Anyone involved in teaching modern languages will find this reader a rich source for reflection and good practice.
