Leupp,De-min Tao,2021-09-20 With over 60 contributions The Tokugawa World presents the latest scholarship on early modern Japan from an international team of specialists in a volume that is unmatched in its breadth and scope In its early modern period under the Tokugawa shoguns Japan was a world apart For over two centuries the shogun s subjects were forbidden to travel abroad

and few outsiders were admitted Yet in this period Japan evolved as a nascent capitalist society that could rapidly adjust to its incorporation into the world system after its forced opening in the 1850s The Tokugawa World demonstrates how Japan s early modern society took shape and evolved a world of low and high cultures comic books and Confucian academies soba restaurants and imperial music recitals rigid enforcement of social hierarchy yet also ongoing resistance to class oppression A world of outcasts puppeteers herbal doctors samurai officials businesswomen scientists scholars blind lutenists peasant rebels tea masters sumo wrestlers and wage workers Covering a variety of features of the Tokugawa world including the physical landscape economy art and literature religion and thought and education and science this volume is essential reading for all students and scholars of early modern Japan

**Medieval Animals on the Move** László Bartosiewicz,Alice M. Choyke,2021-02-24 This book investigates relations between humans and animals over several centuries with a focus on the Middle Ages since important features of our perceptions regarding animals have been rooted in that period Elucidating various aspects of medieval human animal relationships requires transdisciplinary discourse and so this book aims to reconcile the materiality of animals with complex cultural systems illustrating their subtle transitions between body and mind

*Value A Coin* Richard W. Avery,2015-12-27 Like the old saying goes Money makes the world go round We use it every day We could not acquire most necessary items needed in daily life without it We almost always want more of it but for coin collectors money is much more than a piece of metal It is a hobby a learning experience and can be a lifelong obsession There really are no hard statistics on the amount of people who collect coins in the world Some people suggest that one out of every 10 000 people is an active coin collector That is pretty staggering when you think about the population of the world People have been collecting coins for years At one time it was called the hobby of kings but today people from all walks of life and of all ages are maintaining coin collections Their reasons are varied Some like the history behind coinage Some do it to amass a collection worthy of handing down to future generations Still others are simply businesspeople buying and selling coins to make a living Collecting coins can be somewhat of a treasure hunt for many The quest for that one coin to complete their collection can be an obsession Whatever the reason coin collecting is a very popular hobby one that can be pursued by all age groups There are actually educational benefits to getting children started as coin collectors The practice of numismatics that is the collection and study of coins paper money tokens and medals offers the collector many different areas to specialize in With the many specializations of coins there is a wealth of material out there for coin collectors to concentrate on which makes it such an interesting and diverse hobby In this book we will explore the phenomenon of coin collecting and give you ways to get started on your own collection There are many many nuances of the hobby and it is almost impossible to give you all the information you will need to become a seasoned collector What we have done is give you enough to get started in this rather enjoyable activity So enjoy your ebook *VALUE A COIN* Linear Shift Paul B Kohler,2015-04-07 A man s life in ruin An unexpected mission back in time When Peter Cooper has a strange encounter with

a desperate Army general he's suddenly catapulted to the year 1942 World War II is in full swing Peter is tasked with changing a single moment in time If he fails his own legacy could be shattered If he succeeds he may very well alter the outcome of the war However a secret society emerges and threatens to destroy everything and ruin any chance of Peter returning to the life he once knew With his own fate and the future of the entire world in his hands Peter must be willing to stop at nothing to succeed Is the once broken man up to the task Read Linear Shift today
