The Cameroonian Novel of English Expression. An Introduction A. Ambanasom, 2009-08-15 Initially considered something of a black sheep within the Anglophone Cameroon literary genres the Anglophone novel has gradually grown to carve out a respectable niche for itself in the Anglophone Cameroon sub system imposing itself in a way that makes it impossible for critics to ignore it Now a vibrant genre it even threatens to overtake drama and poetry both of which have enjoyed more critical attention This book is a study of how Anglophone Cameroon has contributed in extending the possibilities of the novel as a literary form and of some of the established conventions necessary for a fruitful evaluation of the growing body of the Cameroonian novel in English In this eclectic and compelling book Ambanasom sets out to achieve three primary objectives to introduce the reader to the extensive body of Cameroonian novels in English to re examine the distorting and limiting criteria upon which the critical assessment of the Cameroonian novel in English has so far been based and to bridge the widening chasm between literary theory and actual critical practice To achieve these objectives Ambanasom begins by elaborating an alternative and flexible theoretical framework which he christens the Socio Artistic Approach and which according to him is concerned with both a text s thematic moral cultural or ideological issues on the one hand and its central literary analysis on the other He then proceeds to use this new critical framework to examine twenty seven major Cameroonian novels in English There are critical voices already emerging within the Anglophone Cameroonian

literary circles calling for rigorous teaching and practice of theory in the interpretation of literary works setting in motion a critical discourse Such a call is salutary and welcome Those university lecturers whose responsibility it is to teach theoretical courses should take this call very seriously moving from theory to hands on practice This book is Ambanasom s contribution to that critical debate *Not Everyone Calls Me Father* Edwin Daschbach,2003-08 77 Articles columns offering a contextualist understanding of scripture in response to fundamentalism explaining catholic belief and addressing ethical subjects Centrist biblical scholarship and up to date theology used throughout many of the articles were essentially columns in appalachian weeklies a summary for people on the go **No Quick Fix** Andrew David Naselli,2017-08-30 Every Christian struggles with sin and wants to be victorious in the fight Higher life theology also known as Keswick theology offers a quick fix for this struggle It teaches that there are two categories of Christians those who are merely saved and those who have really surrendered to Christ Those who have Jesus as their Savior alone and those who have him as their Master as well If Christians can simply let go and let God they can be free of struggling with sin and brought to that higher level of spiritual life What could be wrong with that A lot it turns out In *No Quick Fix* a shorter and more accessible version of his book *Let Go and Let God* Naselli critiques higher life theology from a biblical perspective He shows that it leads not to freedom but to frustration because it promises something it has no power to deliver Along the way he tells the story of where higher life theology came from describes its characteristics and compares it to what the Bible really says about how we overcome sin and become more like Christ *The Wiley Blackwell Companion to the Qur'an* Andrew Rippin,Jawid Mojaddedi,2017-03-16 Fully revised and updated the second edition of *The Wiley Blackwell Companion to the Qur n* offers an ideal resource for anyone who wishes to read and understand the Qur n as a text and as a vital component of Muslim life While retaining the literary approach to the subject this new edition extends both the theological and philosophical approaches to the Qur n Edited by the noted authority on the Qur n Andrew Rippin and Islamic Studies scholar Jawid Mojaddedi and with contributions from other internationally renowned scholars the book is comprehensive in scope and written in clear and accessible language New to this edition is material on modern exegesis the study of the Qur n in the West the relationship between the Qur n and religions prior to Islam and much more *The Wiley Blackwell Companion to the Qur n* is a rich and wide ranging resource exploring the Qur n as both a religious text and as a work of literature *Be Renewed* Willem van Vlastuin,2014-02-19 Personal renewal or sanctification belongs to the heart of the Christian life and is becoming more important in our present day culture Listening to Scripture and in conversation with a variety of theologians from the protestant tradition the author presents an up to date concept for a theology of personal renewal In this concept the spiritual union with Christ unio mystica cum Christo is taken as the starting point in order to consider the way in which renewal obtains form in relation to God our neighbour ourselves and the world To place this concept into a historical perspective van Vlastuin begins his study with an investigation of Luther and Calvin s theology concerning the relationship between the union

with Christ and personal renewal The concept is developed within the current theological debate with particular reference to the eschatological character of the Christian life An important issue concerns the measure of renewal especially in relation to the sinful heart of the believer In this context the author also deals with the question of sanctification as a position or a process and the relation between the two In addition the relationship between the Holy Spirit and the human soul in the process of renewal is discussed Another important issue concerns the abiding significance of the law and the way in which it functions in the Christian life The exploration of several theological positions leads to a modern concept by which to understand law The study concludes with an investigation of the relationship between the eschatological Christian life in this present life and the complete revelation of the eschaton The Tablet ,1896 **National and English Review** ,1885
