The Sexual Organization of the City Edward O. Laumann, Stephen Ellingson, Jenna Mahay, Anthony Paik, Yoosik Youm, 2005-08-01 We think of the city as a place where anything goes Take the sensational fantasies and lurid antics of single women on *Sex in the City* or young men on *Queer as Folk* and you might imagine the city as some kind of sexual playground a place where you can have any kind of sex you want with whomever you like anytime or anywhere you choose But in *The Sexual Organization of the City* Edward Laumann and company argue that this idea is a myth Drawing on extensive surveys and interviews with Chicago adults they show that the city is to the contrary a place where sexual choices and options are constrained From Wicker Park and Boys Town to the South Side and Pilsen they observe that sexual behavior and partnering are significantly limited by such factors as which neighborhood you live in your ethnicity what your sexual preference might be or the circle of friends to which you belong In other words the social and institutional networks that city dwellers occupy potentially limit their sexual options by making different types of sexual activities relationships or meeting places less accessible To explain this idea of sex in the city the editors of this work develop a theory of sexual marketplaces the places where people look for sexual partners They then use this theory to consider a variety of questions about sexuality Why do sexual partnerships rarely cross racial and ethnic lines even in neighborhoods where relatively few same ethnicity partners are available Why do gay men and lesbians have few public meeting spots in some neighborhoods but a wide variety in others Why are African Americans less likely to marry than whites Does having a lot of friends make you less likely to get a sexually transmitted disease And why do public health campaigns promoting safe sex seem to change the behaviors of some but not others Considering vital questions such as these and shedding new light on the city of Chicago this work will profoundly recast our ideas about human sexual behavior **Church Administration** Robert H. Welch, 2011 From the front desk to the back office a clear and thorough guide that helps pastors and church staff become effective and efficient leaders managers and administrators Second edition **Leadership Handbook of Management and Administration** James D. Berkley, 2008-01-01 This substantial resource offers pastors and church leaders practical insight into the daily issues of running a church Conceived and compiled by the editors of *Leadership journal* this book covers the full spectrum of ministry practice Readers will learn about perennial topics such as time management negotiating the terms of a call handling crisis and conflict hiring and managing staff conducting special fund drives spending church money and dealing with tax and law considerations This revised and expanded edition of a proven ministry resource contains new contributions from prominent ministry leaders Contributors include Leith Anderson Rick Warren Brian McLaren Luis Palau John Ortberg Aubrey Malphurs and many others *Engaging Modernity* Dawid J. Venter, 2004-05-30 The key theme addressed by all the contributors to this book is the relationship between South Africa's indigenous churches AICs to modernity The key question asked by each of the contributors is to what extent if any do AICs serve as bridges to tradition or as facilitators for modernizing practices

Although the researchers do not agree on the answer to this question some argue for the return to tradition others argue for the facilitation perspective they do provide provocative and timely insights for prospective researchers interested in exploring concepts and methodologies for understanding modernity and modernization Based on a number of case studies of AICs in South Africa this book will also be of great interest to scholars of comparative religion and the role churches play in negotiating the complex terrains of politics society and economy in this era of globalization Church Administration Robert H. Welch,2011-07-15 For churches and religious nonprofit operations the business of business is not business it is ministry Still such institutions have to make plans Because skilled organization is needed to accomplish specific tasks a leader must train and motivate workers in progress and effectiveness This second edition of Church Administration helps pastors and church staff become effective and efficient leaders managers and administrators Among the topics discussed are Administration Documents Organizing the Church Administering Personnel Resources Financial Resources Physical Resources and Administering Risk Management Writing for students as well as those already in this line of work author Robert H Welch promises If you understand the tenants of general administration and the techniques of ministerial leadership your job will be made significantly easier Churches and Church Membership in the United States, 1990 Martin B. Today's church has shackled itself to many Reformation doctrines not supported in scripture Regarding salvation two of those doctrines that have been particularly detrimental are Calvinism and Arminianism Both of these have selectively filtered Biblical passages through their man made theological construct effectively rejecting the whole council of God Baptist churches in particular have widely subscribed to either the doctrines or mission of Arminianism which essentially requires that every believers primary responsibility is to be an evangelist Preaching this man made doctrine from pulpits every Sunday has played a significant role in stunting the spiritual growth of most members as they are crammed into a role outside of their spiritual gifting At the same time the real work associated with a believers true spiritual giftedness is going unused failing to minister to the body of Christ as God designed The cumulative effect is that the local church is focused on enticing those outside the church to join an assembly that essentially ignores the needs of those within The key marker that Jesus said would show the outside world who we belong to is our love for one another The early church understood this clearly as they shared all things in common with their fellow believers They sacrificially gave of their physical possessions to meet the tangible needs of the saints and used their spiritual gifts to edify and strengthen one another spiritually So if the Arminianistic model is not valid what does the ideal Christian look like Based on Scripture we see these essential characteristics Seeking to be daily clean before God and filled with the Holy Spirit Operating in the Body of Christ in accordance with the spiritual gift bestowed to each believer and Actively obedient to the Commands of Christ Join Nathan in exploring these characteristics as he seeks to bring maturity to believers and to restore the well being and health of the sickly bride of Christ

preaching daily reading and small group Bible study and discussion or any combination of those elements The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ **Army Casualty Operations/assistance/insurance** United States. Missionary Interests David Golding,Christopher Cannon Jones,2024-04-15 In *Missionary Interests* David Golding and Christopher Cannon Jones bring together works about Protestant and Mormon missionaries in the nineteenth and twentieth centuries charting new directions for the historical study of these zealous evangelists for their faith Despite their sectarian differences both groups of missionaries shared notions of dividing the world categorically along the lines of race status and relative exoticism and both employed humanitarian outreach with designs to proselytize American missionaries occupied liminal spaces between proselytizer and proselytized feminine and masculine colonizer and colonized Taken together the chapters in *Missionary Interests* dismantle easy characterizations of missions and
