Drug Delivery Using Nanomaterials Yasser Shahzad, Syed A.A. Rizvi, Abid Mehmood Yousaf, Talib Hussain, 2022-01-18 After the drug discovery and development process designing suitable

formulations to safely deliver the optimum dose while avoiding side effects has been a constant challenge especially when drugs are very toxic and have poor solubility and undesirable clearance profiles With recent advances in synthetic technologies nanoparticles can be custom made from a variety of advanced materials to mimic the bioenvironment and can be equipped with various targeting and imaging moieties for site specific delivery and real time imaging Drug Delivery Using Nanomaterials covers advancements in the field of nanoparticle based drug delivery systems along with all the aspects needed for a successful and marketable nanoformulation FEATURES Offers a general overview of the entire process involved in the synthesis and characterization of pharmaceutical nanoparticles Covers a broad range of synthetic materials for developing nanoformulations customized for specific disease states target organs and drugs Every chapter sequentially builds providing a progressive pathway from classical nanoparticles to the more advanced to be used as a full drug product by consumers Provides information in a bottom up manner in that definitions and explanations of relevant background information serve as a framework for understanding advanced concepts This user friendly reference is aimed at materials engineers chemical engineers biomedical engineers pharmaceutical scientists chemists and others working on advanced drug delivery from academia as well as industry The Standards of Mesopotamia in the Third and Fourth Millennia BCE Renate Marian van Dijk-Coombes,2023-04-05 Depictions of standards form a fundamental part of the visual repertoire of ancient Mesopotamia These depictions can offer great insight into the thought world of the peoples with which they are associated because different standards were associated with different deities and could be found in multiple contexts In this book Renate Marian van Dijk Coombes examines the standards which are represented in the visual culture of the third and fourth millennia BCE covering the Uruk Early Dynastic Akkadian and Neo Sumerian periods She analyses each of the different standards how they looked what they symbolised and the contexts in which they were found In addition developments and changes in the representation of these standards are traced across the periods under discussion *Language and Institutional Identity in the Post-Apartheid South African Higher Education* Leketi Makalela,2022-03-21 This book examines the intersections between education identity formation and language in post apartheid South Africa with specific attention to higher education It does so against the backdrop of the core argument that the sector plays a critical role in shaping reproducing and perpetuating sectoral class sub national and national identities which in turn in the peculiar South African setting are almost invariably analogous with the historical fault lines determined and dictated by language as a marker of ethnic and racial identity The chapters in the book grapple with the nuances related to these intersections in the understanding that higher education language policies overt and or covert largely structure institutional cultures or what has been described as curriculum in higher education institutions Together the chapters examine the roles played by higher education by language policies and by the intersections of these policies and ethnolinguistic identities in either constructing and perpetuating or deconstructing ethnolinguistic identities upon which the sector was founded The introductory chapter

lays out the background to the entire book with an emphasis on the policy and practice perspectives on the intersections The middle chapters describe the so called White Universities Black Universities and Middle Man Minorities Universities The final chapter maps out future directions of the discourses on language and identity formation in South Africa s higher education **Research Handbook on International Law and Cities** Aust, Helmut P.,Nijman, Janne E.,Marcenko, Miha,2021-08-27 This groundbreaking Research Handbook provides a comprehensive analysis and assessment of the impact of international law on cities It sheds light on the growing global role of cities and makes the case for a renewed understanding of international law in the light of the urban turn Africa and Byzantium Andrea Myers Achi,2023-11-13

Medieval art history has long emphasized the glories of the Byzantine Empire but less known are the profound artistic contributions of Nubia Egypt Ethiopia and other powerful African kingdoms whose pivotal interactions with Byzantium had an indelible impact on the medieval Mediterranean world Bringing together more than 170 masterworks in a range of media and techniques from mosaic sculpture pottery and metalwork to luxury objects panel paintings and religious manuscripts Africa and Byzantium recounts Africa s centrality in transcontinental networks of trade and cultural exchange With incisive scholarship and new photography of works rarely or never before seen in public this long overdue publication sheds new light on the staggering artistic achievements of late antique Africa It reconsiders northern and eastern Africa s contributions to the development of the premodern world and offers a more complete history of the region as a vibrant multiethnic society of diverse languages and faiths that played a crucial role in the artistic economic and cultural life of Byzantium and beyond

Macroeconomic Risk and Growth in the Southeast Asian Countries William A. Barnett,Bruno S. Sergi,2023-11-09 Emerging markets offer a unique financial setting contrasting with developed markets ISETE 33 gives fresh insight into financial and economic issues in Indonesia and ASEAN countries written by authors from diverse backgrounds Pacifism and Pentecostals in South Africa Marius Nel,2018-06-27 Most of the early twentieth century Pentecostal denominations were peace churches that encouraged a stance of conscientious objection However since the Second World War Pentecostals have largely abandoned their pacifist viewpoint as they have taken on a more literal Biblical hermeneutic from their interaction with Evangelical denominations This book traces the history of nonviolence in Pentecostalism and suggests that a new hermeneutic of the Bible is needed by today s Pentecostals in order for them to rediscover their pacifist roots and effect positive social change The book focuses on how Pentecostalism has manifested in South Africa during the twentieth century Much of the available academic literature on hermeneutics and exegesis in the field of Pentecostal Studies is of an American or British European origin This book redresses this imbalance by exploring how the Bible has been used amongst African Pentecostals to teach on the apparent paradox of a simultaneously wrathful and loving God It then goes onto suggest that how the Bible is read directly affects how Pentecostals view their role as potential reformers of society So it must be engaged seriously and thoughtfully By bringing Pentecostalism s function in South African society to the fore this book adds a fresh

perspective on the issue of pacifism in world Christianity As such it will be of great use to scholars of Pentecostal Studies Theology and Religion and Violence as well as those working in African Studies      Youth Climate Courts Thomas A.

*LC-MS/MS in the Mycotoxins Studies* Laura Gámiz-Gracia,Ana M. García-Campaña,Natalia Arroyo-Manzanares,2020-06-17 Mycotoxins are secondary metabolites produced by the fungi of different species mainly Aspergillus Fusarium and Penicillium with toxic effects for humans and animals These mycotoxins can contaminate food and feed The European Union EU has established the maximum permitted or recommended levels for well known mycotoxins in different foodstuffs However there are other mycotoxins that are not included in the regulations the emerging mycotoxins whose toxicity is still not clear and the modified or masked mycotoxins produced as a consequence of a detoxification strategy of the host plant of

the fungus or during food processing These mycotoxins could pose a risk and should also be taken into account In order to assure consumers health analytical methods for the accurate determination of mycotoxins in different food matrices and feeds are required In this sense liquid chromatography tandem mass spectrometry LC MS MS is a powerful tool for their unique identification and quantification Moreover the use of high resolution mass spectrometry HRMS allows one to identify novel mycotoxins and targeted untargeted approaches for study This Special Issue compiles recent applications of LC MS MS in mycotoxin studies as well as the development and validation of new analytical methods for their identification and quantification in different food matrices and feed occurrence studies and the biomonitoring of mycotoxins and their metabolites in biological fluids

[The Guide to COIL Virtual Exchange](#) Jon Rubin, Sarah Guth, 2023-07-03 This is the authoritative guide to implementing COIL Virtual Exchange conceived and co edited by one of the originators of this innovative approach to internationalization Jon Rubin COIL the acronym for Collaborative Online International Learning is a central modality of what has come to be known as virtual exchange Since its first iteration in 2002 it has gradually established itself as a mature pedagogy that is being increasingly implemented across the world and is validated by a growing body of research COIL Virtual Exchange at its most essential is a bi lateral online exchange involving the integration of existing courses across two or sometimes more institutions that are geographically and or culturally distinct To launch a COIL VE course the instructor of a class at a higher education institution in one location links online with a professor and his or her class in another region or country Together their students engage and develop joint projects usually over a continuous five to eight week period Compared to the limited number of students worldwide who can engage in study abroad COIL VE potentially opens up more equitable and inclusive participation in international education and intercultural experiences to all students involves them in rigorous disciplinary and interdisciplinary studies and promotes close and constructive engagement with students with different cultural perspectives While many COIL courses are launched by individual instructors based on their research connections and online outreach they are being increasingly supported and led by dedicated COIL Coordinators who facilitate virtual exchanges and provide professional development This comprehensive guide covers COIL VE pedagogy provides examples of what takes place in the COIL classroom and explores what instructors and staff need to know to facilitate and support a variety of COIL courses across the curriculum It addresses how institutional stakeholders especially those in leadership positions can develop and embed a successful COIL initiative at their institution It offers varied perspectives of COIL viewed from different institutional and cultural vantage points from research universities community and technical colleges and university systems and describes how COIL VE is developing in five different world regions presenting eleven case studies The book concludes with a guide to thirteen global organizations that support COIL and other forms of VE Additionally the book provides links to the COIL Connect for Virtual Exchange website <https://coilconnect.org> which includes an updated directory of organizations an expanding database of faculty and institutions
