Newkey-Burden, 2009-10-10 In Simon Cowell Chas Newkey Burden finds out interviewing friends and old colleagues and lifting the lid on the professional and private life of one of Britain s most eligible bachelors Brad and Angelina Chas Newkey-Burden, 2010-04-02 Brad Pitt and Angelina Jolie are the best known and most talked about couple in the world When they got together in 2005 it made headlines worldwide everyone wanted to know the full story of what had happened had Brad cheated on Jen How long had the affair been going on Just what happened on the set of Mr and Mrs Smith to break up Hollywood s golden couple Since the birth of Brangelina Brad and Ange have never been out of the spotlight Whether it s speculation about their wild and incredible sex life or the apparent cracks in their relationship the public are fascinated But never before has a book told the full story of the relationships and lives that Brad Jen and Angelina all led before fate brought them together of the irresistible chemistry that drew Brad and Angelina together of their relationship together from its glorious honeymoon period through to its shaky present Finally Chas Newkey Burden separates the rumours from the reality and the truth from the lies This is the astonishing electrifying and untold story of Brangelina Once you pick up this book you will not be able to put it down **New Statesman** ,2008 *Prospect* ,2009 **Femina** ,2008 The Tribune ,2008

Vol.1-12. 2nd ser. (ed. by S. Drew). Vol.1-4 ,1825 **Rewriting God** Elaine Lindsay, 2021-11-22 Women are

rarely if ever mentioned in commentaries upon Australian Christianity and spirituality Only exceptional women are recognized as authorities on religious matters Why is this so Does it matter Don t people from the same religious tradition share similar experiences of the divine regardless of their gender Rewriting God asks whether women have been writing about the divine and whether their insights are different from those contained in malestream accounts of Australian Christianity and spirituality An analysis of the writings of popular theologians and religious commentators over the last twenty years suggests that the most popular form of spirituality among Australian theologians is Desert Spirituality An

analysis of women's autobiographical writings however suggests that the desert is irrelevant to many women's spiritual experiences This book through a close investigation of the fictions of Thea Astley Elizabeth Jolley and Barbara Hanrahan attempts to posit alternative forms of women's spirituality and to signal ways in which this spirituality is already being expressed From the evidence gathered here it becomes obvious that traditional expressions of Australian Christianity and spirituality are gender specific and that they have functioned to deny women's religious experiences and to silence their claims to equality in the sight and service of the divine It becomes obvious too that women have been developing their own forms of religious expression and that these may be expected to supplant gradually withering images of Desert Spirituality Whether this new imagery will strengthen Australian Christianity or whether it merely marks a decline in the authority of Christianity remains a moot point
