De mes nouvelles Philippe Dell'Ova, 2010-03-06 Des nouvelles des vraies Du rythme de la motion des sentiments un imaginaire d bordant et des chutes toujours d routantes Couple enlacé en baie de Seine et autres nouvelles noir foncé Jean Santiré, 2017-10 **The World of Jean Anouilh** Leonard Cabell Pronko, **The World of Jean Anouilh** Leonard C. Pronko, 2022-08-19 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1961 **The Black International. L'International noire** Emiel Lamberts, 2002 This book outlines the history of the Black International a secret organisation directly linked to the Vatican which brought together the leaders of the Catholic committees in nine European countries The organisation tried to stem the tide of liberalism socialism and nationalism that threatened the Catholic Church at the end of the 19th century The story of the origins workings and ending of this International at times seems like a detective story The book offers an extensive discussion of the influence of this organisation on the press policy and the international position of the Vatican It also explores its impact on the development of militant Catholicism and through its after effects in the Union of Fribourg 1884 1891 on the emergence of social Catholicism in Europe L Internationale noire tait une association secr te qui groupait les chefs de file des comit s catholiques de neuf pays europ ens Elle essaya de faire front contre les trois courants qui mena aient l Eglise catholique la fin du XIXe si cle le liberalisme le socialisme et le nationalisme Cette Internationale noire d pendait directement du Vatican Analysant l histoire de la naissance du fonctionnement et de la dissolution de cette organisation secr te le pr sent ouvrage ressemble quelquefois un roman policier Il accorde galemment une grande attention l influence exerc e par ce r seau sur la politique de presse et sur la politique internationale du Vatican Enfin il value son impact sur le d veloppement du catholicisme militant puis travers son prolongement dans l Union de Fribourg 1884 1891 sur la perc e du catholicisme social en Europe , Pavillon Des Temps Nouveaux and Other Buildings and Projects, 1936-1937 Le Corbusier, 1983 *Temples for Tomorrow* Geneviãve Fabre, Michel Feith, 2001-09-19 The Harlem Renaissance is rightly considered to be a moment of creative exuberance and unprecedented explosion Today there is a renewed interest in this movement calling for a re evaluation and a closer scrutiny of the era and of documents that have only recently become available Temples for Tomorrow reconsiders the period between two world wars which confirmed the intuitions of W E B DuBois on the color line and gave birth to the American dilemma later evoked by Gunnar Myrdal Issuing from a generation bearing new hopes and aspirations a new vision takes form and develops around the concept of the New Negro with a goal to recreate an African American identity and claim its legitimate place in the heart of the nation In reality this movement organized into a remarkable institutional network which was to remain the vision of an elite but which gave birth to tensions

and differences This collection attempts to assess Harlem s role as a Black Mecca as site of intimate performance of African American life and as focal point in the creation of a diasporic identity in dialogue with the Caribbean and French speaking areas Essays treat the complex interweaving of Primitivism and Modernism of folk culture and elitist aspirations in different artistic media with a view to defining the interaction between music visual arts and literature Also included are known Renaissance intellectuals and writers Even though they had different conceptions of the role of the African American artist in a racially segregated society most participants in the New Negro movement shared a desire to express a new assertiveness in terms of literary creation and identity building

The Politics of Slave Trade Suppression in Britain and France, 1814-48 P. Kielstra, 2000-07-25 Britain's rarely examined nineteenth century diplomatic efforts for abolition took contemporary pre-eminence over most questions and almost sparked war with France in 1845 Kielstra examines the issue in Anglo-French relations how conflicting moral economic and nationalist pressures and lobby groups affected domestic politics and high diplomacy To preserve peace and their positions statesmen had little margin for error as they framed policies which attacked the trade and satisfied mutually incompatible domestic opinions in a struggle which holds lessons for current efforts to include human rights concerns in foreign policy

While the City Sleeps Lila Caimari, 2017

While the City Sleeps is an extraordinary work of scholarship from one of Argentina's leading historians of modern Buenos Aires society and culture. In the late nineteenth century the city saw a massive population boom and large scale urban development. With these changes came rampant crime, a chaotic environment in the streets and intense class conflict. In response the state expanded institutions that were intended to bring about social order and control. Lila Caimari mines both police records and true crime reporting to bring to life the underworld, pistoleros, the policemen who fought them and the crime journalists who brought the conflicts to light. In the process she crafts a new portrait of the rise of one of the world's greatest cities.
