Pieces Of My Heart Pieces :

Christine Redman-Waldeyer, 2004-07-01 Christine Redman Waldeyer's poems contain questions it is not easy for the reader to answer. She may wish to shy away from them but it would be at her peril. She observes the natural world, refers to ancient myths and asks us to judge over lines in the light of their wisdom. Dr. Laura Winters, Professor of English and Contemporary Poetry, Drew University, opens the doors to a world anew. Let Christine Redman Waldeyer's latest work, *Rains of Roses*, catapult you into levels of consciousness that until now few have comprehended. Proposed within these pages are the ideals that one may find in a hypothetical other world all around in our commonplace lives. With each rune, what was once familiar and wanted is etched to reflect its rightful, more surreal purpose. These symbolic connotations in life can be derived everywhere around us and lead us as beacons of hope through our own personal tribulations. Sgt. Robert J. Proft, Saaj Grigori Dirge.

Whispers from My Father, Brown Eagle, 2017-09-29. *Whispers from My Father* is a collection of Brown Eagle's favorite whispers that she has gathered along her path that were sent from her heavenly Father. Her Father speaks to her heart in a still, small voice through his precious, gentle whispers. 1 Kings 19:12. Brown Eagle prays that his messages found throughout her writings will give others the same strength, hope, courage, and love that Brown Eagle has found in her relationship with Christ.

My Broken Mug: The Memoir of an Unwanted Daughter, Beatrice Lotter, 2022-03-31. What happens when a mother does not or cannot love her daughter? *My Broken Mug: The Memoir of an Unwanted Daughter* focuses on explaining what it feels like to be rejected by your own mother. An eye-opening journey in the life of Beatrice, the unappreciated daughter, she examines her mother's toxic behavior by pointing out the emotional trauma she had endured during the first two decades of her life. The impact this had on her life shaped the blueprint for most of her relationships during adulthood where she experienced rejection once again. She went through two divorces and faced physical and emotional abuse by her second husband. For most of her life, Beatrice lacked self-confidence and struggled to control her emotions until she experienced a period of profound Spiritual Awakening that led to many positive changes, some of which are still ongoing. Today, she spreads the Word of God and uses her negative experiences to help others. A chosen disciple of God, Beatrice Lotter is a Pastor from South Africa. Her whole life is a testimony to how a person can overcome challenging circumstances and obstacles. She is a daughter born out of wedlock whose name was later changed to Annemarie by the will of her stepfather's family. Nevertheless, she rightfully took back what was hers: her original identity. Over the years, Beatrice has blossomed into a spiritual leader who helps others understand that they can get through any difficulties that come in their way, just like she did. Despite the many hurdles, she always managed to pick herself back up and move forward because even in dark places, there is light. Today, Beatrice encourages others to receive God's guidance and love, and not surprisingly, her name means she who brings happiness. God has given her a gift, and it is indeed a blessing to be around her.
