The Great Gatsby meets Alain Badiou Ursula Vooght,2023-12-21 The subject of this book is a consideration of the usefulness of the concept of fidelity put forward by the philosopher Alain Badiou in the discussion of film adaptation Fidelity or faithfulness is primarily a consideration that emerges in relation to so called canonical texts in adaptation Fitzgerald s The Great Gatsby occupies a position of global

recognisability and within the United States cultural mythology that has triggered strong reactions to the four Hollywood adaptations The various adaptations allow for the differing approaches to the adaptation of this novel to be meaningfully explored The film adaptations paratextual elements will be discussed in order to show how these acted as limiting lenses The strategies of the films for handling elements of Fitzgerald's prose and themes will be compared across the adaptations This will culminate in an assertion of the worth of a larger application of a Badiouian fidelity within the field *Student Companion to F. Summary of the Great Gatsby by F. Scott Fitzgerald Fast2read, 2017-05-04 SUMMARY of the Great Gatsby by F Scott Fitzgerald Analysis and Review a Book The Great Gatsby by F Scott Fitzgerald is at once a simple book and a hard book to understand and appreciate On one hand it's a simple book about a guy who threw a lot of parties in the summer of 1922 and an intricate description of the lives of a number of party goers as narrated by a neighbor Yes that is the story of The Great Gatsby But The Great Gatsby is so much more than that superficiality One theme that comes out is that things are not as they appear There are lots of secrets and additional details unveiled about the story as you read further At first glance this story could be interpreted that it is about happy upwardly mobile people But the reality is much deeper than that There is morality to the story much of which is seen in the behavior of characters that might be thought of as immoral Marital affairs play a major part in the story Yet the narrator presents himself as a very honest very tolerant single adult There is a lot to be said for honesty tolerance and listening There is a bit of violence in the story that escalates In the end some very violent events occur Violence is never a way to communicate Buy your book today Tags summary great gatsby great gatsby book great gatsby cliff notes **The American Review of Reviews** Albert Shaw, 1925 [The Cambridge Introduction to F. Scott Fitzgerald,Blake Wallace,2017-04-22 The Great Gatsby is a 1925 novel written by American author F Scott Fitzgerald that follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922 The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan Considered to be Fitzgerald s magnum opus The Great Gatsby explores themes of decadence idealism resistance to change social upheaval and excess creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream Fitzgerald inspired by the parties he had attended while visiting Long Island s north shore began planning the novel in 1923 desiring to produce in his words something new something extraordinary and beautiful and simple and intricately patterned Progress was slow with Fitzgerald completing his first draft following a move to the French Riviera in 1924 His editor Maxwell Perkins felt the book was vague and persuaded the author to revise over the next winter Fitzgerald was repeatedly ambivalent about the book s title and he considered a variety of alternatives including titles that referenced the Roman character Trimalchio the title he was last documented to have desired was Under the Red White and Blue First published by Scribner s in April 1925 The Great Gatsby received mixed reviews and sold poorly in its first year the book sold only 20 000 copies Fitzgerald died in 1940 believing himself to be a failure and his work forgotten However the novel experienced a revival during World War II and became a part of American high school curricula and numerous stage and film adaptations in the following decades Today The Great Gatsby is widely considered to be a literary classic and a contender for the title Great American Novel In 1998 the Modern Library editorial board voted it the 20th century s best American novel and second best English language novel of the same time period *Focus On: 100 Most Popular Australian Films* Wikipedia contributors, *Focus On: 100 Most Popular American 3D Films* Wikipedia contributors, *Sound-Blind* Alex Benson,2023-11-14 In the 1880s a new medical term flashed briefly into public awareness in the United States Children who had trouble distinguishing between similar speech sounds were said to suffer from sound blindness The term is now best remembered through anthropologist Franz Boas whose work deeply influenced the way we talk about cultural difference In this fascinating work of literary and cultural history Alex Benson takes the concept as an opening onto other stories of listening writing and power stories that expand our sense of how a syllable a word a gesture or a song can be put into print and why it matters Benson interweaves ethnographies memoirs local color stories modernist novels silent film scripts and more Taken together these seemingly

disparate texts by writers including John M Oskison Helen Keller W E B Du Bois F Scott Fitzgerald and Elsie Clews Parsons show that the act of transcription never neutral is conditioned by the histories of race land and ability By carefully tracing these conditions Benson argues we can tease out much that has been left off the record in narratives of American nationhood and American literature *The Composition of Tender is the Night* Matthew J. Bruccoli,2010-11-23 Working with the complete collection of Tender is the Night manuscripts in the Princeton University Library Matthew J Bruccoli reconstructs seventeen drafts and three versions of the novel to answer questions about F Scott Fitzgerald s major work that have long puzzled critics of modern literature In 1934 nine years after the appearance of The Great Gatsby Fitzgerald permitted publication of Tender is the Night Disappointed by its critical reception Fitzgerald suggested that the structure of the novel should be drastically rearranged In 1951 eleven years after his death Charles Scribner s Sons brought out an edition that incorporated Fitzgerald s changes Controversy arose over the merits of the two published versions and over the nine lost years in Fitzgerald s life between his two great novels years of rewriting before publication of Tender is the Night that resulted in six cartons of notes and drafts After analyzing this wealth of material Bruccoli reconstructs every working stage in the novel and reaches his own conclusions about which edition is the most valid **Current Reviews** Lewis Worthington Smith,1926 *Fitzgerald's Mentors* Ronald Berman,2012-02-06 This book is a study of three of writer F Scott Fitzgerald s literary and artistic mentors who helped to intellectually and philosophically influence his life and writings [The Literary Digest International Book Review](#) Clifford Smyth,1925
