Floyd Levin's dedicated and unselfish life-long work for the cause of jazz has illuminated many a corner that would otherwise have remained in the dark. All who care about the music are in his debt. Classic Jazz like Floyd himself is a classic. Dan Morgenstern, Director, Institute of Jazz Studies, Rutgers University. What a rich, passionate and human book this is. Drawing on fifty years of devotion to classic New Orleans jazz and the artists who performed it, Floyd Levin brilliantly weaves anecdotal material, primary research, intimate personal observations and analyses to create an historical goldmine of the music's evolution in New Orleans and on the West Coast. In rendering portraits of legendary musicians in such a beautifully moving, honest way, he offers not just standard history but a strong sense of the emotional core of the music as well. Steve Isoardi, co-author of *Central Avenue Sounds*. Paul Whiteman: Pioneer in American Music, 1930-1967 Don Rayno, 2012-12-19. In a career that spanned 60 years, Paul Whiteman changed the landscape of American music, beginning with his million-selling recordings in the early 1920s of *Whispering Japanese*, *Sandman* and *Three O'Clock in the Morning*. Whiteman would then introduce symphonic jazz, a powerful blend of the classical and jazz idioms that represented a whole new approach to modern American music, influencing generations of bandleaders and composers. While some hold that at the close of the Roaring Twenties, Whiteman's musical hegemony quickly waned, Don Rayno illustrates in this second volume of *Paul Whiteman: Pioneer in American Music* how much of a dominant figure Whiteman remained. A major figure on the American music scene for decades to come, he would continue to lead critically acclaimed orchestras filling theaters and concert halls alike and diligently seeking out and nurturing musical talent on the largest scale of any orchestra leader in the 20th century. In this second volume of Rayno's magisterial treatment of the life and music of this remarkable maestro, Whiteman's career during the second half of his life is explored in the fullest detail as Whiteman conquers the worlds of theater and vaudeville, the concert hall, radio, motion pictures and television, winning accolades in all of them. Through hundreds of interviews, extensive documentation and exhaustive research of over nearly three decades, a portrait emerges of one of American music's most important musical figures during the last century. Rayno paints a stunning portrait of Whiteman's considerable accomplishments and far-reaching influence. *Classical Music Insights* Betsy Schwarm, 2011.
