

The background of the image is a solid light green color. Overlaid on this background are several large, stylized outlines of a football (soccer ball). These outlines are in a darker shade of green and are arranged in a way that they appear to be floating or overlapping each other. The outlines show the characteristic hexagonal and pentagonal patterns of a football, though they are simplified and lack internal detail.

Some people would say that Football is just a game,
Others say life and football are the same.
That it is more than just making calls,
And throwing a funny shaped ball,
Some say its about the intensity and passion
above all,
Its a feeling they get on the field after they win a game.
It does not matter if it rains or snows,
They will be out there,
Because football is all they know,
So if you ask them is football just a game?
They will answer that quick and without any shame!
