**Righting Canada's Wrongs: The LGBT Purge and the fight for equal rights in Canada** Ken Setterington,2022-10-18 From the 1950s to 1980s the Canadian government persecuted LGBTQ2 employees and tried to erase them from the military the RCMP and the civil service under the guise that they were a security risk an event that became known as the LGBT Purge Those who were suspected of being homosexual were put under government surveillance interrogated and intimidated They were fired from their jobs Many quit to avoid being exposed Some committed suicide as a result In the 1980s victims of the Purge fought back with a class action suit against the government that helped shed light on the systemic discrimination that members of the LGBTQ2 community faced

from the government and the rest of society In 2017 the federal government issued a formal apology on behalf of the government and Canadian society for the treatment of members of the LGBTQ2 community In this highly visual book author Ken Setterington presents the struggle for LGBTQ2 rights using photographs first person accounts and excerpts from archival documents Significant events in the struggle include the establishment of Pride parades the Bathhouse Raids the decriminalization of homosexuality the passing of the Canadian Charter of Rights and Freedoms the LGBT Purge and the legalization of same sex marriage While the government's formal acknowledgement of past injustices started Canada on a better path toward equality there is still work to be done This book would be a welcome addition to any classroom or library's social justice collection and will appeal to adults interested in LGBTQ2 rights in Canada This title is also available in immersion French *La purge LGBT et la lutte pour l'égalité des droits au Canada* ISBN 9781459419889 *Report of Investigations*, 1949 **Like a Boy but Not a Boy** andrea bennett, 2020-10-13 Inquisitive and expansive *Like a Boy but Not a Boy* explores author andrea bennett's experiences with gender expectations being a non binary parent and the sometimes funny and sometimes difficult task of living in a body The book's fourteen essays also delve incisively into the interconnected themes of mental illness mortality creative work class and bike mechanics apparently you can learn a lot about yourself through truing a wheel In *Tomboy* andrea articulates what it means to live in a gender in between space and why one might be necessary 37 Jobs 21 Houses interrogates the notion that the key to a better life is working hard and moving house And interspersed throughout the book is *Everyone Is Sober and No One Can Drive* sixteen stories about queer millennials who grew up and came of age in small communities With the same poignant spirit as Ivan Coyote's *Tomboy Survival Guide* *Like a Boy but Not a Boy* addresses the struggle to find acceptance and to accept oneself and how one can find one's place while learning to make space for others The book also wonders it means to be an atheist and search for faith that everything will be okay what it means to learn how to love life even as you obsess over its brevity and how to give birth to bring new life at what feels like the end of the world With thoughtfulness and acute observation andrea bennett reveals intimate truths about the human experience whether one is outside the gender binary or not *Report and Appendix ...* Great Britain. London livery companies' commission, Royal Commission on the Livery Companies of the City of London, 1884 *End of the CBC* David Taras, Christopher Waddell, 2020-02-18 The *End of the CBC* is about three overlapping crises the crisis that has enveloped the CBC the crisis of news and the crisis of democracy They are all the result to some degree of the vast changes that have overtaken and consumed the media world in the last ten to fifteen years The emergence of platforms such as Google Facebook Twitter and Netflix the hyper targeting of individual users through data analytics the development of narrow online identity communities and the rise of an attention economy that makes it more and more difficult for any but the most powerful media organizations to be noticed have changed the media landscape in dramatic ways The effects on the CBC and on other Canadian media organizations have been shattering Describing the failure of successive governments to address

problems faced by the public broadcaster this book explains how the CBC lost its place in sports drama and entertainment Taras and Waddell propose a way forward for the CBC one in which the corporation concentrates its resources on news and current affairs and re-establishes a reputation for depth and quality
