Rogue's Possession: An Adult Fantasy Romance Jeffe Kennedy,2022-07-26 One does not break an oath to the fae But I am getting much better at finding and exploiting the loopholes I may have promised the ruthlessly sensual fae lord Rogue that he can sire my firstborn child but I never said when And I m not giving into his will eroding attempts to seduce me until he tells me what will happen to my child Which he refuses to do So I m holding out against his allure no matter how he tantalizes me because the one way to protect my child is to make sure they re never born Unfortunately Rogue is as wily as he is persistent and soon I find myself in more bargains I must give him a kiss every day and sleep by his side at night Even as I travel through Faerie perfecting my sorceress skills and seeking the answers to the questions Rogue won t or can t answer he is constantly by my side working his way through my defenses He refuses to let me go Most terrifying of all I m finding I don t want him to

comparable to M Night Shymalan Clive Barker unique interior sketches by the author aid the reader through an amusing and original story In a world of magic and monsters a young male educated and trained in unusual skills struggles with choices in life Strengthen the skills learned seeking adventure and fortune Live a simple honest life working the land Thats too dull running off in dangerous pursuits of gold is more exciting The misadventures of youth begin to add up causing serious troubles including continually upsetting his mother Returning home to find it over turned he learns a King is stretching out his territory and tax collections Finding out the Kings men forcefully took what should have never been taken Carr sets out to set things right Retrieve wrongfully taken property and make amends with his mother However plans of the mind rarely work out as planned or as easy His actions have more repercussions then hell realize and knocking at deaths door This is the 1st of 3 stories mainly introducing the characters friends family and surroundings **The Good Fat Diet** Mary Enig,Sally Fallon,2005-05-05 Since the late 1950 s it s been drilled into us that fat is bad saturated fat is worse and tropical fats like coconut and palm are just about as near to poison as a food can be However a new and unprejudiced look at fat research over the last fifty years indicates that the opposite is true and that saturated fats and in particular coconut oil are the healthiest fats you can eat This diet will put you back on the track that nature intended for efficient nourishment This is not a deprivational diet Let go of the notion that you must suffer to lose weight Starving yourself is counter productive as it signals the body to hold fat Instead eating sufficient quantities of the right combinations of fats as outlined in the recipes and menu plans you ll notice that you can go for several hours without eating and without experiencing cravings because the body is satisfied and also has stable blood sugar levels As a result hunger pangs melt away and eating sensibly becomes easy
