Romance And The Rain English Edition:

Performance and the Middle English Romance Linda Marie Zaerr, 2012 An examination of if and how medieval romance was performed uniquely uniting the perspective of a scholar and practitioner Although English medieval minstrels performed gestes a genre closely related to romance often playing the harp or the fiddle the question of if and how Middle English romance was performed has been hotly debated Here the performance tradition is explored by combining textual historical and musicological scholarship with practical experience from a noted musician Using previously unrecognised evidence the author reconstructs a realistic model of minstrel performance showing how a simple melody can interact with the text and vice versa She argues that elements in Middle English romance which may seem simplistic or repetitive may in fact be incomplete as missing an integral musical dimension metrical irregularities for example may be relics of sophisticated rhythmic variation that make sense only with music Overall the study offers both a more accurate comprehension of minstrel performance and a deeper appreciation of the romances themselves Linda Marie Zaerr is Professor of Medieval Studies at Boise State University *Ugetsu Monogatari or Tales of Moonlight and Rain (Routledge Revivals)* Ueda Akinari, 2012-08-06 *Ugetsu Monogatari or Tales of Moonlight and Rain* numbers among the best loved Japanese classics These nine illustrated tales of the supernatural from eighteenth century Osaka combine popular appeal with a high literary standard The author expressed his complex views on human life and society in simple yet poetic language Akinari questioned the prevailing moral values and standards of his age whilst entertaining his readers with mystery and other worldly occurrences This is a reissue of Leon Zolbrod's definitive English translation of the work first published in 1974 **English Pastoral Drama, from the Restoration to the Date of the Publication of the "lyrical Ballads"** Jeannette Augustus Marks, 1908 **The Spirit of Romance** Ezra Pound, 2005 Dating from 1910 and subtitled *An attempt to Define Somewhat the Charm of the Pre Renaissance Literature of Latin Europe* The Spirit of Romance is one of the key books in Ezra Pound's revaluation of literary tradition **Rocks and Rain, Reason and Romance** David Howe, 2019-03-28 David Howe tells the story of the Lake District England's most dramatic landscape Home to vistas of stunning beauty and a rich heritage it is an area of England that fascinates inspires and has bewitched David for a lifetime With passion and an endless curiosity he reveals how half a billion years of shifting ice violent volcanoes and of course falling rain have shaped the lakes and fells that have fired the imaginations of the great sons and daughters of the area the poets and the scientists He shows that Lakeland is a seamless web where lives and landscape weave together where the ancient countryside has created a unique local history of farming and mining of tightknit communities of a resilient and proud people The Lake District is a place of rocks and rain reason and romance wonder and curiosity And this book celebrates it all the very character of Cumbria **The Complete English Wing Shot** George Teasdale Teasdale-Buckell, 1907 The Greatest Works of French Literature (English Edition) Charles Baudelaire, George Sand, Anatole France, Molière, Voltaire, Stendhal, Émile Zola, Alexandre Dumas, Alexandre Dumas fils, Jules
