When the Stars Come Out Laura Trentham,2022-10-04 Willa Brown never planned to stay in Cottonbloom She was on the way to somewhere else when she landed there and found work at the Abbot brothers garage and a sense of comfort and safety that she had never known The same holds true for Jackson Abbott himself With one glance in her direction he can make Willa's heart melt But what begins as an unrequited crush turns into something far more powerful than Willa could have ever imagined Jackson's most meaningful relationship has always been

with his car and he's not afraid to admit it. Still, he can't help but become emotionally entangled with his new star mechanic Willa who is definitely hiding some dark secrets of her own beneath the hood. Jackson desperately wants Willa to trust him and to seek protection in his arms. But even as the two slowly surrender to their shared attraction, the danger lurking in Willa's past remains a stubborn obstacle. Can she open up enough to give them both a chance at having real and lasting love?

Set the Night on Fire Laura Trentham, 2021-10-19 Cottonbloom is the perfect place for starting over, finding your way back home, and falling head over heels. Ella Boudreaux has a lot to prove to her family, friends, and foes, and to herself. So when her marriage ends, she decides to invest her energy and money into a place that brings back some of Ella's happiest memories: the Abbott brothers' garage. Maybe if she puts her mind to it, she can teach skeptical, stubborn Mack Abbott how to make the business a true success. Which would be a lot easier if the hunky mechanic didn't make her motor run quite so fast, and hot Mack was furious when his brother Ford sold his share of the business. He's in no rush to team up with a wealthy divorcee who shows up to the garage in stilettos and the longest, sexiest legs he's seen in forever. But Ella's grit and determination won't quit, and soon Mack can see that she's been down a few rough roads herself. Neither Mack nor Ella can deny the fierce attraction that's revving up between them. Could it be that true love has been in the backseat all along, and they've finally found the key?

Leave the Night On Laura Trentham, 2022-10-04 Love, betrayal, and sweet revenge. Life in Cottonbloom is about to get a whole lot hotter. Sutton Mize is known for lavishing attention on the customers who flock to her boutique on the wealthy side of her Mississippi town. So when she finds a lace thong in her fiancé's classic cherry red Camaro, she knows just who she sold it to: her own best friend. In an instant, Sutton's whole world goes up in flames. Wyatt Abbott has harbored a crush on Sutton since he was a young kid from the other side of the tracks. He witnessed Sutton's shocking discovery in the Camaro at his family-owned garage, and it made him angry. What kind of man could take lovely, gorgeous Sutton for granted? But then Sutton comes up with an idea: Why not give her betrothed a taste of his own medicine and pretend that she's got a lover of her own? Wyatt is more than happy to play the hot and heavy boyfriend. But what begins as a fictional affair soon develops into something more real and more passionate than either Sutton or Wyatt could have imagined. Could it be that true love has been waiting under the hood all along?

Till I Kissed You Laura Trentham, 2021-07-27 It's summertime in Cottonbloom, where two lovers find themselves at a crossroads just as things start to heat up. Regan Lovell grew up on the wealthy Mississippi side of Cottonbloom, and now, as mayor, she's determined to save it from the fate of so many small towns. Part of her plan to help the local economy is the Labor Day tomato festival. If only she wasn't being undermined by Sawyer Fournette, who's planning a crayfish-themed celebration on the Louisiana side of the river on the very same weekend. The pranks and sabotage are getting out of hand, and she's had it with him, no matter how much she enjoyed those stolen hours in his truck bed so many years ago. Sawyer knows that Regan's never forgiven him for breaking her heart, but despite his reputation as a low-class swamp rat, he'd never hurt the woman who still secretly drives him crazy with desire.

Someone in Cottonbloom has it out for her though and Sawyer intends to watch her back and the rest of her too if she can ever let go of her distrust But will a common enemy be enough to unite them and finally fulfill the promises they made one passionate night under the stars Then He Kissed Me Laura Trentham,2022-10-04 Can two hearts come together in one divided town As a boy Nash Hawthorne spent countless afternoons on the Louisiana side of Cottonbloom with Tally Fournette wading in the river peeling oranges and catching frogs When illness stole his mother Nash yearned to take Tally and run away for good Instead he crossed the state line to live with his aunt It was a short distance as the crow flies but it swept him into a whole new world After Nash left Tally managed to struggle through her own losses without him But now that she s crossed paths with him again at Cottonbloom College where the grown up gorgeous Nash teaches history she is reminded of their cherished youthful connection and an attraction that has only gotten stronger with age Between Tally s possessive ex and Nash s snobbish aunt no one thinks they belong together In a town torn apart by old resentments and rivalries can they find their way back to the life they once shared and turn their long lost dreams into a real and lasting love
