

The background of the entire image is a vibrant pink color with a repeating pattern of small, light pink hearts. In the center-left, a pair of leopard-print high-heeled shoes is displayed. One shoe is standing upright, showing its side profile, while the other is lying on its side in front of it. The shoes have a dark brown or black leopard print on a tan or light brown base. They appear to be pumps with a moderate heel. In the bottom right corner, there is a small, out-of-focus image of a bouquet of flowers, possibly roses, in shades of pink and white.

from prison Henry and Maxi seem to run into her at every turn There is something about Sabrina that tugs at Henry s heart Is he just lonesome or could there be another reason **Suppose Jesus Had Thrown in the Towel and Given Up on Us** De'lois Washington McMillan,2008-09-24 Then Came The Rain Poetry by a victim of child molestation My name is Patti Davy and I chose to share my feelings and emotions that have occurred because of the molestation in my past This book is filled with the raw emotions that occur from such trauma that can be hard for some to read but that is not my intent I did the writing to reach out to people who are in the same situation as me to let them know that they are not alone and that there is hope There are many of us out in today s world that are hurting and suffering from this horrendous act and are forced to deal with it alone or to keep quiet The truth of the matter is that this crime affects many aspects of our society through drug use alcohol divorce spousal abuse child abuse and the list just goes on So by sharing my experiences through my poetry I hope I can reach out to someone and let them know that they are not alone May you calm the storm within your heart that you so desire and become a survivor of your past **Church of the Red Arrow** Michael Houlihan,2011-02-14 The Church of the Red Arrow is a book about everything at once It is perfect for people with ADD or people who just get bored easily You can flip around in it all day like the yellow pages and always wind up home In this respect it is like the old saying that all roads lead to Mecca It is poetry fiction and nonfiction with a section listing hundreds of unanswerable questions that are thought provoking and good topics of conversation There are also several short stories which start out linear and end up Joycian The book covers politics poetry and all sorts of paradoxes It is philosophical and sometimes just plain dumb I think you will find it an honest read sometimes whimsical sometimes seriously difficult sometimes fusing an antithesis or two often just by accident hence the conclusion that Lady Luck has smiled on this book Your author has written three other volumes which could or could not hook up quite nicely with this one if everything in the world were a train Mr Houlihan is also a member of the Lefty Jones Band but it is not his fault He refuses to play out or be seen in public
