On Display John D. Boy,Justus Uitermark,2023-12-14 Two billion people around the world use Instagram but so

far social scientists have done little research on the platform Despite Instagram s reputation for shallowness the ongoing self presentation it demands confronts users with profound dilemmas Who are we What do we want to show of ourselves What do we aspire to be On Display is a book about how people remake their worlds through social media John D Boy and Justus Uitermark provide an encompassing account of how a platform that is unfailingly polished and ruthlessly judgmental shapes us and our environments They examine how personalities relations social movements urban subcultures and city streets change as they are represented on Instagram Interviews and ethnographic vignettes render an intimate account of the desires and anxieties that animate the platform Just as importantly Boy and Uitermark reveal how Instagram is implicated in social inequalities While previous accounts have argued that social media promote polarization On Display shows that this is not the case for Instagram where users belong to large and diverse networks compelling them to take many often contradictory expectations into account This means users shy away from producing statements or images that may cause offense as a way to preserve their public image and their social connections Drawing on sociological theory long term qualitative inquiry in Amsterdam and computational analyses Boy and Uitermark argue that grasping the power of Instagram and other social media platforms requires seeing them not as digital networks of communication and sharing but as a stage for the expression and affirmation of social status

Schnakenberg IV,2016-08-24 This book is written from a personal coming of age perspective It shares the many years and stages of a non believer and the radical transformation to a believer Though many of the stories can be quite embarrassing for the author at times he feels it is imperative to share his memories leaving nothing out with a no holds barred approach revealing a lifestyle worth of much shame The transformation is the key to the story as he is led by the Holy Spirit As his story develops life then takes on new meaning and he admires how God works His providence trusting in His will to be done Lives can change as you will see but that does not mean there wont be opposition As you will come to learn through Blue Collar Believer sometimes the biggest obstacles come with the ones you love the most It takes the reality of life which is death and this is the only tool to give the afterlife serious thought Though we can appeal to the intellect it is up to the Holy Spirt to convict the heart As an ambassadors for Christ we must always be ready for opportunities to defend the gospel showing love and compassion We live in a lost and dying world and if only it were easy to share the Gospel and get a positive response 100% of the time but as you will see this just not is the case Jesus said He who has ears let him hear Unfortunately most ears who hear are deaf but that does not mean we give up Persistence and love for the lost can do wonders and all things are possible with God Journey with Blue Collar Believer from beginning to end and be guided on a tour with a testimony that will not soon be forgotten It is an emotional roller coaster filled with many ups and downs You will laugh you will cry but more importantly it will get you to think If you have to see it to believe it get ready to experience it for yourself through the words of a Blue Collar Believer **Savor the Moment** Nora Roberts,2010-04-27 New love takes the cake in the third novel in 1 New York Times bestselling author Nora Roberts s Bride Quartet Wedding baker Laurel McBane is surrounded by romance working at Vows wedding planning company with her best friends Parker Emma and Mac But she s too low key to appreciate all the luxuries that their clients seem to long for What she does appreciate is a strong intelligent man a man just like Parker s older brother Delaney on whom she s had a mega crush since childhood But some infatuations last longer than others and Laurel is convinced that the Ivy League lawyer is still out of her reach Plus Del is too protective of Laurel to ever cross the line with her or so she thinks When Laurel s quicksilver moods get the better of her leading to an angry hot all together mind blowing kiss with Del she ll have to quiet the doubts in her mind to turn a moment of passion into forever Don t miss the other books in the Bride Quartet Vision in White Bed of Roses Happy Ever After *Singled Out* Bella DePaulo, Ph.D.,2007-10-30 People who are single are changing the face of America Did you know that More than 40 percent of the nation s adults over 87 million people are divorced widowed or have always been single There are more households comprised of single people living alone than of married parents and their children Americans now spend more of their adult

years single than married Many of today's single people have engaging jobs homes that they own and a network of friends This is not the 1950s singles can have sex without marrying and they can raise smart successful and happy children It should be a great time to be single Yet too often single people are still asked to defend their single status by an onslaught of judgmental peers and fretful relatives Prominent people in politics the popular press and the intelligentsia have all taken turns peddling myths about marriage and singlehood Marry they promise and you will live a long happy and healthy life and you will never be lonely again Drawing from decades of scientific research and stacks of stories from the front lines of singlehood Bella DePaulo debunks the myths of singledom and shows that just about everything you've heard about the benefits of getting married and the perils of staying single are grossly exaggerated or just plain wrong Although singles are singled out for unfair treatment by the workplace the marketplace and the federal tax structure they are not simply victims of this singlism Single people really are living happily ever after Filled with bracing bursts of truth and dazzling dashes of humor Singled Out is a spirited and provocative read for the single the married and everyone in between You will never think about singlehood or marriage the same way again Singled Out debunks the Ten Myths of Singlehood including Myth 1 The Wonder of Couples Marrieds know best Myth 3 The Dark Aura of Singlehood You are miserable and lonely and your life is tragic Myth 5 Attention Single Women Your work won't love you back and your eggs will dry up Also you don't get any and you're promiscuous Myth 6 Attention Single Men You are horny slovenly and irresponsible and you are the scary criminals Or you are sexy fastidious frivolous and gay Myth 7 Attention Single Parents Your kids are doomed Myth 9 Poor Soul You will grow old alone and you will die in a room by yourself where no one will find you for weeks Myth 10 Family Values Let's give all of the perks benefits gifts and cash to couples and call it family values With elegant analysis wonderfully detailed examples and clear and witty prose DePaulo lays out the many often subtle denigrations and discriminations faced by single adults in the U.S She addresses too the resilience of single women and men in the face of such singlism A must read for all single adults their friends and families as well as social scientists and policy advocates E Kay Trimberger author of *The New Single Woman* *Dimensions* Netra Hirani, 2021-08-17 *Dimensions* teleports you to a poetic crossroad of Desire Delusions Denial Dreams and Dilemma Every poem in this book has been painted with colours of different dimensions some touching your heart some teasing your mind and some tickling your soul It's an enigma a paradox a crossfade of two spaces sashaying past each other Shruti Kohli An emotion laden verse prose anthology that tugs at your heart and makes you smile Chitrangada Mukherjee Her poems reminded me of my own teenage years Aditya Gautam This multidimensional ode to myriad moments of life is unencumbered raw and soul stirring Highly recommended for those that have lost as well as found Ayan Pal *The Gossip Den* Alfred J.
