experience I know what's interesting and what's not, what's important to those who weren't there, ordinary people who merely wonder what it was like. I have enjoyed two successful careers and am currently embarked upon my third. I have fired most of life's best bullets, emptied most of my chosen weapons, most precious magazines drained, my fullest canteens exhausted, most of my allotted time on this fair planet we call earth. I want to share a few of the stories of men I served with, men I came to know later in life, men I loved as brothers in arms, surviving in harm's way, or men who were simply Crazy Vietnam Vets like me with a special story to tell. Eastern Waves, Western Shores Chathuri Nugawela, 2011-11-17 Eastern Waves Western Shores is a novel based on the life of a Sri Lankan woman who comes to study in England and then moves back to Sri Lanka and struggles fitting back in. The expectation of the elders of society in general, cultural norms and the demands on a modern-day career woman overwhelm her. She is torn between her loyalty to her family and the dreams she has for herself. It is a book about a looming arranged marriage, the yearning of a young woman to fall in love hopefully with someone that is acceptable to her and her family, to live away from the family feuds and land disputes, away from the dictatorship of elders vs her duties towards them. Even after following her heart and her dreams, she feels tormented sometimes and seeks an equilibrium in America.     **The Railway Clerk**, 1908     *He Has Given Us the Kingdom* Brenda Bell, 2022-06-24 Before Jesus went to the Father, he gave instructions to his followers to repent and change their way of thinking for the kingdom was at hand. This would result in a new way of thinking for them. Things were no longer going to work the way they had before. He instructed them in the good news that the kingdom had begun. He healed all kinds of sickness and diseases and taught them that they could be great in this kingdom that was coming from heaven to earth. He explained how it would start small and would grow throughout the earth in the same manner that yeast multiplies in bread making and the world would not even see it happening. He gave them the authority and ordered them to take charge of this kingdom and called them children of the kingdom. He gave them and all who would hear about him through their teaching the keys to function in this new kingdom and explained how this authority was activated by faith-filled words. He said the kingdom was like a man going into a far country and leaving his servants in charge and taught that they would be accountable for what they had accomplished when he returned. We are those people

today You will learn how this kingdom works the authority of those in charge and how to use your authority in the unseen realm     **Yours Till Death** John Cotton,1951 These letters from a yeoman farmer in the Confederate Army to his wife in Coosa County Alabama will be of interest to historians not only for the light shed upon the life of the Confederate soldier but also for frequent allusions to rural life and the operation of the farm in Cotton s absence He enlisted at Pinckneyville Alabama on April 1 1862 and was paroled at Talladega on May 25 1865 During the intervening years he saw action in Tennessee and Kentucky in the Dalton Atlanta campaign briefly again in Tennessee then in Georgia against the forces of Sherman moving finally into South Carolina These letters constitute an authentic record of a typical Confederate soldier s experience Journal of Southern History     *The Renegade Success Plan* Terri Selting David,2021-07-15 How far is Ivy willing to go to achieve her goals Ivy Rose Park is a born leader Some people may call her bossy her best friends in the Renegade Girls Tinkering Club know it s because she throws herself heart and soul into everything she does Ivy has her whole future as an electrical engineer planned out and nothing will stand in the way of her goals When she gets the opportunity to meet her idol at Ada Lovelace Charter School s Career Week she ll do anything to impress her The Renegades start a business for the Entrepreneurial Expo and Ivy knows she can lead the team to victory But when things get complicated how far is she really willing to go to succeed MacGyver meets The Babysitter s Club in this charming story about friendship technology and being a good leader Learn about electricity and circuits while building DIY PROJECTS along with the Renegades in this interactive adventure proving STEM is for everyone Instructions included for hands on science and building projects Visit [www.RenegadeGirls.com](http://www.RenegadeGirls.com) for downloadables projects and more information     **Afghanistan** United States.
