When You Think You're Not Enough Daphne Rose Kingma, 2012-01-01 Who's better to love you than you? It's time to stop feeling like we're not enough. We're either too fat or too thin. We're not good enough, pretty enough, popular enough, powerful enough, bold enough, brave enough, interesting enough. The solution? More self-love. Know yourself. Bestselling author and psychotherapist Daphne Rose Kingma offers a four-step plan to reclaim and love ourselves. Complete with stories and examples to drown out the inner critic, *When You Think You're Not Enough* sets out to remind us that we're more than enough. Be nice to yourself. If we're being honest, we don't take ourselves much into consideration. Acceptance, appreciation, respect, compassion—we reserve these virtues for others. Daphne reminds us that we need these to feel good too. It is only after we foster these in ourselves that we can apply it to a greater purpose. Inside, she'll encourage you to love who you are and look at and let go of self-deprecating behaviors and beliefs. Old patterns and pressures, imaginary ideals and standards. If you're ready to start loving yourself and enjoyed books like *I Thought It Was Just Me*, but it isn't *More Than Enough* or *You Are Enough*, then you'll love *When You Think You're Not Enough*.

At an Hour That You Think Not Dr. Randal J. Hiester, 2012-02-17 A theological subject debated over and over again without resolution is eschatology. Although the study of last things involves several subjects, the all-important matter is the return of the Lord Jesus Christ as promised. For 180 years, fundamentalist teaching has touted a pre-tribulation rapture of the church. When a

careful Berean style inspection of Scripture is utilized of necessity you must acknowledge the pre tribulation teaching holds no water The words of Jesus and a close evaluation of the writings of the apostles make clear what many responsible bearers of truth have muddled After reading this book may you find yourself closer to understanding the truth of Jesus words and less inclined to accept without inspection of the Word those who teach otherwise Endorsements Dr Hiester's rich heritage of faith and scholarship are represented in this work His book engages some of the most difficult questions of eschatology This is a refreshing and challenging exposition which will help the reader gain a richer understanding of the truths of Scripture Erik Wiedman Educator Dr Hiester demonstrates how eschatology can be understood by a child of God Incredibly eye opening and life changing Daniel Gross Elder I think it is possible that your book may be the best and most comprehensive study on the matter presently available Mark McCormack Editor

You Are Not As Self-Aware As You Think You Are Dr. Julia Carden PhD, MSc, PCC, FCIPD, 2025-10-20 So you think you're self aware Think again Most leaders believe themselves to be self aware But what does self awareness really mean How is it different from self knowledge or self consciousness Being self aware starts with understanding what self awareness is so that's where this book begins It then goes on to explore why developing self awareness is the route to developing deeper self acceptance and self connection so that you can start to detach your self worth and ego from outcomes meaning that you become able to lead more powerfully through uncertainty Leaders are increasingly facing wicked problems in this VUCA world so this book is primarily written for them it is also highly relevant for coaches supporting those leaders and for anyone who wants to develop self awareness more effectively The writing is underpinned and inspired by Julia Carden's doctoral research into self awareness and its role in the development of executive coaches and includes questions and exercises for self reflection to develop self awareness at every step
