- responses must relate to **what goes on at the neighbour's house**
- students may quote or paraphrase
- a paraphrased response covering more than one point should be credited for each point made – though paraphrased responses must demonstrate evidence of identification of information that is specific to the focus of the question as required by AO1
- responses that copy the whole section of the text from lines 1 to 8 verbatim should not be credited any marks as this does not provide any evidence of identification of information that is specific to the focus of the question as required by AO1

Indicative content; students may include:

- men and women visit the house
- the guests use his raft, beach and motorboats
