Read each selection silently. Then read the questions that follow and write the letter of the correct answer in the answer sheet.

Chameleons

Chameleons are extraordinary animals. They are one of the few animals that can change their color. This is their way of hiding themselves. Chameleons that live in trees are often green. Those that live in desert lands are usually brown. It is also their way of keeping warm. Turning a darker shade helps them absorb more heat. They also change colors to send messages to other chameleons. Their bright colors may attract another chameleon or warn enemies.
