Erwin Schrödinger's World View Johann Götschl,2012-12-06 Erwin Schr dinger is one of the greatest figures of theoretical physics but there is another side to the man not only did his work revolutionize physics it also radiacally changed the foundations of our modern worldview modern biology philosophy of science philosophy of the mind and epistemology This book explores the lesser known aspects of Schr dinger s thought revealing the physicist as a philosopher and polymath whose highly original ideas anticipated the current merging of the natural and the social sciences and the humanities Thirteen renowned scientists and philosophers have contributed to the volume Part I reveals the philosophical importance of Schr dinger s work as a physicist Part II examines his theory of life and of the self organization of matter Part III shows how Schr dinger s ideas have influenced contemporary philosophy of nature and our modern view of the world drawing a fascinating picture of the ongoing synthesis of nature and culture one of the most interesting developments of modern thought The volume also contains the most comprehensive bibliography of Schr dinger s scientific work making it at the same time a book of acute contemporary relevance and a major work of reference

The Numinous Factor John L. Walker,2012-09-20 From the newly discovered Higgs particle of the subatomic world to the emerging role of the vast quantities of unseen matter and energy of outer space to our earthly relationships and the age old questions about who we are and where we go when we die The Numinous Factor shows how both science and everyday life in the twenty first century can be experienced better by seeing spirituality as the basis of everything Through application of its ten non religious principles of mind expansion you will Understand better the latest discoveries of science Discover more of your own complex identity Increase beyond limitation your awareness and ability to comprehend Relate better to everyone and everything in the world around you through spiritual unity Calm your mind by seeing your basic essence as being one with the spirituality of the Universe Realize why seemingly negative things happen See new dimensions of your existence after this earthly life Sense the great peace and happiness of a higher spiritual consciousness The Numinous Factor is the missing link between physical reality and spiritual reality It opens up the heart and reveals new dimensions of our expanding Mind
