The Bridge of Years May Sarton,2014-12-16 May Sarton s celebrated novel of family philosophy and survival set between the two great wars that cleaved Europe in two In the wake of the First World War life for the Duchesnes goes on almost as it always has Situated near a vegetable garden an orchard and rolling green pastures their Belgian estate is one of the few that escaped dereliction in the difficult preceding years The garden is M lanie Duchesne s lifeblood a boost to her seemingly unending well of vitality The introspective Paul finds his refuge in writing his most deeply held ambition But as the years pass Paul s books find little audience and husband and wife focus instead on their furniture business and their growing family The Bridge of Years follows the Duchesnes in the years leading up to World War II their daily exploits and travails the small moments and mundane beauties that fill their lives When their German friend Schmidt arrives for a visit he brings news of an impending nightmare in the East that is threatening to overturn life as they know it With the specter of fascism looming the rising tensions bring out the best in Paul whose writing enjoys renewed vigor and intensity as well as in M lanie whose steadfast determination might be the very thing that saves her family as war knocks at their door once again *Pierre's*

Friends Andrea Beck,2013-09-01 Pierre a pampered pooch misses his friends Sparky and Lou But how will he ever find them They live in a park on the other side of town Pierre has a plan and one afternoon while Miss Murphy naps he slips out of their apartment and sets off to bring his friends home Along the way Pierre meets Old Wheezer and remembers Miss Murphy s words Dogs and people belong together In the end Pierre helps find a loving home for everyone **Spellbound by Marcel**

Ruth Brandon,2022-03-01 In 1913 Marcel Duchamp s Nude Descending a Staircase exploded through the American art world This is the story of how he followed the painting to New York two years later enchanted the Arensberg salon and almost incidentally changed art forever In 1915 a group of French artists fled war torn Europe for New York In the few months between their arrival and America s entry into the war in April 1917 they pushed back the boundaries of the possible in both life and art The vortex of this transformation was the apartment at 33 West 67th Street owned by Walter and Louise Arensberg where artists and poets met nightly to talk eat drink discuss each others work play chess plan balls organise magazines and exhibitions and fall in and out of love At the center of all this activity stood the mysterious figure of Marcel Duchamp always approachable always unreadable His exhibit of a urinal which he called Fountain briefly shocked the New

York art world before falling like its perpetrator into obscurity Many people of both sexes were in love with Duchamp Henri Pierre Roch and Beatrice Wood were among them they were also briefly and for her life changingly in love with each other Both kept daily diaries which give an intimate picture of the events of those years Or rather two pictures for the views they offer including of their own love affair are stunningly divergent Spellbound by Marcel follows Duchamp Roch and Beatrice as they traverse the twentieth century Roch became the author of Jules and Jim made into a classic film by Francois Truffaut Beatrice became a celebrated ceramicist Duchamp fell into chess playing obscurity until decades later he became famous for a second time as Fountain was elected the twentieth century's most influential artwork

and gardens staircase deck chair and window to trace how despite the conservative postwar climate this intimate domestic space became a radical template reshaping postmodern dance invention and its expansion into civic social and environmental engagement in the twentieth and twenty first centuries The work that happened in this white middle class Jewish American home in a San Francisco suburb paved the way for changes that continue to resonate today across contemporary dance performance and urban design These include defamiliarizing urban landscape and gardens as cloistered theaters where civic identities are rehearsed orchestrating collective problem solving and invention normalizing the nude body privileging a utilitarian and responsive rather than sentimental approach to dance in the environment and re positioning choreography as a vital medium for urban problem solving These four representative objects in the Halprin home are also used to trace the burgeoning of dance as a forceful medium for civic engagement and its valorization of the ordinary in movement As a whole this book shows how dance architecture and landscape design would have a profound confluence through these shared domestic spaces and objects of the Halprins lives
