Rewinder Rewinder Series Book 1:

Biomass: Rewind Terry Persun, 2022-03-07 Carl just wants a home on a new planet with Missy and their future children. He hungers for new memories where home would have a true meaning not just something their ship downloaded. Their sapient ship Argentina transverses the galaxy on an interplanetary harvesting and reseed mission. Carl and the crew are dropped on a beautiful but hostile planet. If they fail to colonize Argentina will harvest them too. Trouble starts when something on the planet alters the emotions of crew members and hypnotically pulls them toward the very source that threatens their mission and their lives. With the threat of death hanging over them a more daunting concern arises: Are they meant to survive the mission at all? **Video-Analysis and Knowledge on Rewind** Ajit Singh, Christian Meier zu Verl, René Tuma, 2025-08-01

This volume applies interpretive video analysis to explore the intersections between the sociology of knowledge and interaction studies. Presenting a series of studies that draw on video analytic and videographic approaches to research, it examines the way video data can shed light on connections between social phenomena at the micro, meso, and macro levels and the access that it grants to the temporality of social reality. With empirical research in fields such as care, consumption, gaming, military, music, science, and violence, the studies in this volume show how the video analytic approach provides an empirical basis for progress in social theory and aids the development of the concept of knowledge. As such, it will appeal to scholars of sociology with interests in social theory, the sociology of knowledge, and visual methods in social research.

Luckily, Dixie and her family have each been gifted with a Rewind. All Dixie has to do is go back and redo the moment she thinks doomed hers and Sawyer's relationship before it even began. But when family secrets start pouring out, Dixie's not so sure even her Rewind will be enough to save what she and Sawyer had. Is the damage already done, or can she turn back the clock and give them
