

Shamwari Game Reserve Story Ideas

Tanner 2 was darted yesterday by vet Murray Stokoe (in Dr Joubert's absence as he is in hospital for a broken ankle) for a follow up treatment. Here is what veterinarian Murray Stokoe had to say about his condition: "We did a follow up treatment with Tanner 2 yesterday and we're happy to report that his nose is healing very well although his leg is taking a little time to heal but improving every day. The main concern now is the extent of the damage to his eyes which we will only know over time. He is eating much better and should pick up strength and overall condition as time progresses." Below is a picture of Tanner 2 with Clint, another orphaned rhino from a poaching incident earlier this year at Kariega Game Reserve. The two rhino have bonded well and are being rehabilitated at Shamwari.
