20
CLUES

I'm sort of like sneakers
for a car. I help it run
really fast and far.

Hopscotch and skating fit
me to a tee. Don't walk on
the grass. Just walk on me!

I'm not really needed
during the day. At night
I'm turned on to show
you the way.

Fill me with seed and hang
me high. I'll bring visitors
down from the sky.

Delivery services look
for me. Make sure I'm placed
where I'm easy to see.

I like things tidy and neat.
I really like it when you
wipe your feet.

Jump on me rather
than the ground.
Jump higher
than all's that
around.

Try to resist me on a hot summer day.
I'll make you cool and burn at
the same time, so come and play.

Hot dogs, hamburgers, and
more. On here you'll find
plenty of food
galore.

I nourish my body by
eating grass. I can run with
electric, but I prefer gas.

Some people think I look a little
weird. With my pointy hat and my
long white beard.

Some people think I'm
nasty and gunk, but without me,
you'd be out of luck!

David Anderson Charters,2007-01-01 In the forty year period between 1951 and 1991 Canadian sports car competition
underwent a massive change transforming itself from an amateur recreational pastime to a commercialized profession and
from an individual sport to a spectacle for mass consumption The Chequered Past is the story of the struggle over power and
purpose within the Canadian auto sport that led to this transformation The first comprehensive history of sports car racing
and rallying in Canada The Chequered Past traces the efforts of the national governing body the Canadian Auto Sport Clubs
CASC to bring its sports car competition up to a world class level and to manage the consequences of those efforts in the
second half of the twentieth century David Charters traces the social origins of the sport and the major trends that shaped it
professionalism technological change rising costs and the influence of commercial sponsors Charters argues that while early
enthusiasts set the sport on a course toward professionalism that would eventually produce world class Canadian events and
racers that course would also ultimately change the purpose of the sport from personal recreation to mass entertainment As
technological innovations drove up the costs of competing at the top ranks racers were forced to rely on sponsors who
commercialized and ultimately gained control of the sport The end result Charters argues was the marginalization of the
amateur competitor and of the CASC itself Based on extensive research into the CASC s records and dozens of interviews
with former competitors and officials The Chequered Past opens a window into the rich but virtually unknown history of the
auto sport and claims for it a place in Canadian sports history *How Is My First Grader Doing in School?* Jennifer Richard
