Annual Report of the Librarian of Congress for the Fiscal Year Ended ... Library of Congress, 2009 **Library of Congress Information Bulletin**, 2010 **The Complete Book of 2010s Broadway Musicals** Dan Dietz, 2020-09-10 This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019 This book discusses the decade s major successes notorious failures and musicals that closed during their pre Broadway tryouts In addition to including every hit and flop that debuted during the decade this book highlights revivals and personal appearance revues The Digital Literary Sphere Simone Murray, 2018-10-01 How has the Internet changed literary culture 2nd Place N Katherine Hayles Award for Criticism of Electronic Literature by The Electronic Literature Organization Reports of the book s death have been greatly exaggerated Books are flourishing in the Internet era widely discussed and reviewed in online readers forums and publicized through book trailers and author blog tours But over the past twenty five years digital media platforms have undeniably transformed book culture Since Amazon s founding in 1994 the whole way in which books are created marketed publicized sold reviewed showcased consumed and commented upon has changed dramatically The digital literary sphere is no mere appendage to the world of print it is where literary reputations are made movements are born and readers passionately engage with their favorite works and authors In The Digital Literary Sphere Simone Murray considers the contemporary book world from multiple viewpoints By examining reader engagement with the online personas of Margaret Atwood John Green Gary Shteyngart David Foster Wallace Karl Ove Knausgaard and even Jonathan Franzen among others Murray reveals the dynamic interrelationship of print and digital technologies Drawing on approaches from literary studies media and cultural studies book history cultural policy and the digital humanities this book asks What is the significance of authors communicating directly to readers via social media How does digital media reframe the live author reader encounter And does the growing army of reader reviewers signal an overdue democratizing of literary culture or the atomizing of cultural authority In exploring these questions The Digital Literary Sphere takes stock of epochal changes in the book industry while probing books and digital media s complex contemporary coexistence **The New York Times Index**, 2005 **Ibbetson Street #42** Ibbetson Street, 2017-12-25 Poetry from John Skoyles Denise Provost Lee Sharkey Richard Hoffman and more **The Garden Politic** Mary Kuhn, 2023-02-07 The Garden Politic shows how Americans in the nineteenth century used plants to understand their nation mobilizing them for many different political ends from abolition to private property It also shows the importance of everyday gardening practices to broader environmental understandings and suggests the lessons that this earlier period might offer our contemporary environmental imaginations **Focus On: 100 Most Popular Former Roman Catholics** Wikipedia contributors, A Fighting Chance Elizabeth Warren, 2014-04-22 A NEW YORK TIMES BESTSELLER An unlikely political star tells the inspiring story of the two decade journey that taught her how Washington really works and really doesn t in A Fighting Chance As a child in small town Oklahoma Elizabeth Warren

yearned to go to college and then become an elementary school teacher an ambitious goal given her family's modest means Early marriage and motherhood seemed to put even that dream out of reach but fifteen years later she was a distinguished law professor with a deep understanding of why people go bankrupt Then came the phone call that changed her life could she come to Washington DC to help advise Congress on rewriting the bankruptcy laws Thus began an impolite education into the bare knuckled often dysfunctional ways of Washington She fought for better bankruptcy laws for ten years and lost She tried to hold the federal government accountable during the financial crisis but became a target of the big banks She came up with the idea for a new agency designed to protect consumers from predatory bankers and was denied the opportunity to run it Finally at age 62 she decided to run for elective office and won the most competitive and watched Senate race in the country In this passionate funny rabble rousing book Warren shows why she has chosen to fight tooth and nail for the middle class and why she has become a hero to all those who believe that America's government can and must do better for working families

Emotions and Mass Atrocity Thomas Brudholm, Johannes Lang, 2018-03-22 The study of genocide and mass atrocity abounds with references to emotions fear anger horror shame and hatred Yet we don't understand enough about how ordinary emotions behave in such extreme contexts Emotions are not merely subjective and interpersonal phenomena they are also powerful social and political forces deeply involved in the history of mass violence Drawing on recent insights from philosophy psychology history and the social sciences this volume examines the emotions of perpetrators victims and bystanders Editors Thomas Brudholm and Johannes Lang have brought together an interdisciplinary group of prominent scholars to provide an in depth analysis of the nature value and role of emotions as they relate to the causes and dynamics of mass atrocities The result is a new perspective on the social political and moral dimensions of emotions in the history of collective violence and its aftermath

Women and Children First Susan Wilson, 2023-10-20 In 19th century America it was assumed that woman patients would be treated by male doctors The idea of a woman doctor was deemed by many to lie somewhere between unfathomable and repugnant Then along came Susan Dimock A young North Carolinian who dreamed of becoming a physician and grew up to practice medicine in Boston Dimock was not the first American woman to battle the patriarchal medical establishment But in the 1870s she was arguably the best educated most skilled woman surgeon in the nation as well as living proof that a

woman could be competent smart lovely and kind all in the same package Dimock's life reads like an adventure story from recoiling at slave auctions and witnessing Civil War battles to escaping her fire engulfed Southern hometown then finding her place among Boston's most enterprising women She studied medicine in Zurich and Vienna hiked the Swiss Alps executed complex surgeries and trained America's first professional nurses ultimately inspiring a new generation of female surgeons It is no surprise that a prestigious Viennese medical professor when asked for advice to aspiring young doctors replied simply Make yourself to be like Miss Dimock This biography is the first to give Susan Dimock her rightful place in medical women's and world history

Dance and Activism Dana Mills, 2021-01-28 This study focuses on dance as an activist practice in and of itself across geographical locations and over the course of a century from 1920 to 2020 Through doing so it considers how dance has been an empowering agent for political action throughout civilisation Dance and Activism offers a glimpse of different strategies of mobilizing the human body for good and justice for all and captures the increasing political activism epitomized by bodies moving on the streets in some of the most turbulent political situations This has most recently undoubtedly been partly owing to the rise of the far right internationally which has marked an increase in direct action on the streets Offering a survey of key events across the century such as the fall of President Zuma in South Africa pro reproductive rights action in Poland and Argentina and the recent women's marches against Donald Trump's presidency you will see how dance has become an urgent field of study Key geographical locations are explored as sites of radical dance the Lower East Side of New York Gaza Syria Cairo Iran Iraq Johannesburg to name but a few and get insights into some of the major figures in the history of dance including Pearl Primus Martha Graham Anna Sokolow and Ahmad Joudah Crucially lesser or unknown dancers who have in some way influenced politics all over the world are brought into the limelight the Syrian ballerinas and Hussein Smko for example Dance and Activism troubles the boundary between theory and practice while presenting concrete case studies as a site for robust theoretical analysis

Conceived in Doubt Amanda Porterfield, 2012-04-02 Americans have long acknowledged a deep connection between evangelical religion and democracy in the early days of the republic This is a widely accepted narrative that is maintained as a matter of fact and tradition and in spite of evangelicalism's more authoritarian and reactionary aspects In *Conceived in Doubt* Amanda Porterfield challenges this standard interpretation of evangelicalism's relation to democracy and describes the intertwined relationship between religion and partisan politics that emerged in the formative era of the early republic In the 1790s religious doubt became common in the young republic as the culture shifted from mere skepticism toward darker expressions of suspicion and fear But by the end of that decade Porterfield shows economic instability disruption of traditional forms of community rampant ambition and greed for land worked to undermine heady optimism about American political and religious independence Evangelicals managed and manipulated doubt reaching out to disenfranchised citizens as well as to those seeking political influence blaming religious skeptics for immorality and social distress and demanding affirmation of biblical authority as the

foundation of the new American national identity As the fledgling nation took shape evangelicals organized aggressively exploiting the fissures of partisan politics by offering a coherent hierarchy in which God was king and governance righteous By laying out this narrative Porterfield demolishes the idea that evangelical growth in the early republic was the cheerful product of enthusiasm for democracy and she creates for us a very different narrative of influence and ideals in the young republic

Incorrigibles and Innocents Lara Saguisag,2018-10-05 Nominated for Eisner Award Winner of the 2018 Ray and Pat Browne Award Winner of the Charles Hatfield Book Prize from the CSS Histories and criticism of comics note that comic strips published in the Progressive Era were dynamic spaces in which anxieties about race ethnicity class and gender were expressed perpetuated and alleviated The proliferation of comic strip children white and nonwhite middle class and lower class male and female suggests that childhood was a subject that fascinated and preoccupied Americans at the turn of the century Many of these strips including R F Outcault s Hogan s Alley and Buster Brown Rudolph Dirks s The Katzenjammer Kids and Winsor McCay s Little Nemo in Slumberland were headlined by child characters Yet no major study has explored the significance of these verbal visual representations of childhood Incorrigibles and Innocents addresses this gap in scholarship examining the ways childhood was depicted and theorized in late nineteenth and early twentieth century comic strips Drawing from and building on histories and theories of childhood comics and Progressive Era conceptualizations of citizenship and nationhood Lara Saguisag demonstrates that child characters in comic strips expressed and complicated contemporary notions of who had a right to claim membership in a modernizing expanding nation
