Service** Robert W. Service,2012-04-28 The writing of Robert W Service is mostly known through his poems and ballads Immortalized by his two iconic ballads The Cremation of Sam McGee and The Shooting of Dan McGrew he has entered the world s imagination as the Bard of the Yukon But Service was much more than a chronicler of the Great North A traveller and adventurer who tried his hand at many occupations Service left a fascinating set of impressions the successful literary life in the course of which he produced everything from poems and ballads to fictional romance to thrillers and how to stave off the dreary process of aging Robert W Service is a fresh selection of the most interesting and significant works of the author with a biographical introduction and a select bibliography of additional readings **Special Service : the Best Poems of Robert W. Service,2001 From the Cremation of Sam McGee to The Ordinary Man you ll find all your Service favourites Synonymous with adventure and the rugged beauty of the Canadian North Robert Service remains one of Canada s best known and most loved poets As the poet of the Yukon Gold Rush and the Trail of 98 Service became a legend in his own right and millions of readers around the world have identified him with the dauntless eccentrics who panned for

gold under the midnight sun The Best of Robert Service includes his most famous ballads of the Klondike including such favourites as The Cremation of Sam McGee The Spell of the Yukon and The Shooting of Dan McGrew But it also includes verse inspired by Service's later experiences in France as a stretcher bearer during World War I Remaining in France after the war he composed the unforgettable portrayals of the artists and models of the merry and tragic life of bohemian Paris And not to be overlooked are his poems of wry reflection on the human condition that were so typical of Service as he revealed his own homespun philosophies on women success and failure and life and death Robert Service was born in England in 1874 but acquired his wit and taste for adventure during his boyhood years in the Highlands of Scotland At 22 he left Scotland for Canada and roamed the north for the next 16 years He left the Yukon in 1912 little dreaming he would never return After WWI he married and settled in France Over the course of his 84 years he published 19 books of verse the final one appearing just the year before his death in 1958
