content **The Psychotronic Video Guide To Film** Michael Weldon,1996 The bible of B movies is back and better than ever From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today s Golden Age of Video all described with Michael Weldon s dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan [Boardwalk Empire A-Z](#) John

Wallace,2012-01-26 As the details of HBO s Boardwalk Empire emerged it quickly became the most anticipated programme in the network s history The excitement was understandable not only was the show created by Terence Winter the man behind The Sopranos but Martin Scorsese was one of the executive producers and would make a rare crossover to television by directing the pilot Plus the cast was headed by the great Steve Buscemi and included some of the finest character actors in the business whose previous work has included No Country for Old Men This is England and The Wire Now that the prohibition epic has finally hit our screens Boardwalk Empire has proven to be every bit as smart brutal and thrilling as had been anticipated Already renewed for a second season it is set to become one of the defining series of the decades This indispensable accompaniment to the show is brimming with fascinating details about the series covering the historical background how the 1920s was reconstructed the realities of filming biographies of key members of the cast and crew and much much more **Impossible Worlds, Impossible Things** Melissa Beattie,Ross P. Garner,Una McCormack,2010-02-19

The successful regeneration of Doctor Who in the twenty first century has sparked unprecedented popular success and renewed interest within the academy The ten essays assembled in this volume draw on a variety of critical approaches from cultural theory to audience studies to classical reception and musicology to form a wide ranging interdisciplinary discussion of Doctor Who classic and new and its spin off series Torchwood and The Sarah Jane Adventures With additional contributions from Andrew Pixley Robert Shearman Barnaby Edwards and Matt Hills the volume is intended to be accessible to everyone from interested academics in relevant fields to the general public **The Bite, the Breast and the Blood** Amy

Williams Wilson,2018-09-18 Central to every vampire story is the undead s need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond This blood connection suggests two primal natural desires breastfeeding and communion with God through a blood covenant This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker *Televising Ancient*

Rome in the Twenty-First Century Lisa Maurice,2025-10-31 Ever since HBO BBC s Rome burst onto screens in 2005 Rome has appeared on television screens in a variety of dramatic productions These utilise many of the elements of ancient Rome that were familiar to audiences from big screen epic movies but adapt them for a television genre in a manner that is characteristic of the the second millennium playing on older tropes and merging them with new formats Where do such tropes come from and how have they been developed over time specifically on the small screen a medium that overlaps with

but is substantially different from the cinema How have the changes in technology and the manner in which television is consumed by audiences influenced the productions Answering these questions and more this book examines the presentation of ancient Rome in primarily British and American television productions of the twenty first century exploring not only how they depict the ancient world but how the various programmes reflect aspects and concerns of contemporary society in which they are produced Through a series of nine different case studies it considers three main issues the miniseries format as television epic sexuality and gender in contemporary ancient Rome productions and specific national contexts

Representing Rome's Emperors Caillan Davenport, Shushma Malik, 2024-01-09 Roman emperors have long functioned and continue to function in the western imagination as paradigms of imperial leadership to be emulated or avoided This innovative volume brings together an international team of experts to examine the literary and artistic representations of Roman emperors across more than two thousand years of history In doing so it breaks down traditional disciplinary boundaries that have separated the study of emperors in antiquity from their representation in later periods The individual chapters offer close readings of different texts media and contexts ranging from the Annals of Tacitus Roman lamps and triumphal statues to medieval legends early modern philosophical tracts twentieth century novels and museum exhibitions Collectively they explore the creative impulses and political agendas that have shaped how we understand Roman emperors today
