Quality Matters John Winston Mayne,2018-12-12 Information regular systematic reliable is the life blood of democracy and the fuel of effective management Surely today there is no problem with information for this is the age of information overload It pours onto our computer screens and out of our printers Indeed many governments claim often with some justification to be more open and transparent than ever before But what if the life blood is contaminated or the fuel polluted Then the body politic sickens and the engine of public management runs rough It is the vital issue of the quality of the information we receive that this book addresses Quality Matters compares approaches across different jurisdictional settings and across three different types of information evaluation The chapters describe and analyze quality assurance in a number of countries and within a variety of international organizations These have been selected either because they are widely considered to be leaders in evaluating information or because they have experience with assuring quality information that can instruct others Contributors are from Australia Canada the European Union France the Netherlands New Zealand Sweden Switzerland United Kingdom United States and the World Bank This pioneering study analyzes practices for assuring the quality of evaluation performance auditing and reporting in the face of political organizational and technical obstacles A final chapter addresses the extent to which quality assurance systems become bothersome rituals or remain meaningful mechanisms to ensure quality control This well structured volume will be of particular interest to policymakers and adds much to the literature on program evaluation and performance auditing

Auditing Good Government in Africa M. Gustavson,2014-01-22 This book gives a comprehensive overview of the literature on development in Sub Saharan Africa and challenges the notions of African public officials presented there It focuses on public audit institutions and offers rich empirical research results which contradicts many assumptions made in the literature on development in Sub Saharan Africa

Speaking Out on Human Rights Pearl Eliadis,2014-04-01 Canadians like to see themselves as champions of human rights in the international community Closer to home however the human rights system in Canada particularly its public institutions such as commissions and tribunals has been the object of sustained debate and vehement criticism based largely on widespread myths about how it works In Speaking Out on Human Rights Pearl Eliadis explodes these myths analysing the pervasive distortions and errors on which they depend Canada s human rights system a unique legal tradition operating within a powerful modern constitution is a fundamental mechanism for ensuring the practical application of our national commitment to tolerance and inclusion Drawing on in depth interviews with Canada s leading human rights experts and extensive original research Eliadis explores the evolution of commissions and tribunals as vehicles of public policy and considers their mandate to mediate rights conflicts in such contested areas as hate speech religious freedoms and sexuality She provides a frank assessment of how Canada s human rights system functions and argues that misplaced critiques have prevented urgent and necessary discussions about the reforms that are needed to improve fairness and equality before the

law and to ensure institutional independence impartiality and competence Speaking Out on Human Rights shows how our human rights system plays a unique and important role in the rights revolution both in Canada and internationally and offers promising avenues for its future development **The Report of the Auditor General on Management of Livestock Identification and Trace Back System (LITS) by the Department of Veterinary Services (DVS). ,2010**
