**Ethical English** Mark A. Pike, 2014-12-18 Ethical English addresses the ethos of English teaching and draws attention to its spirit and fundamental character, identifying the features that English teaching must exhibit if it is to continue to sustain us morally as a liberal art and to provide the learners of increasingly plural societies with a broad ethical education. Mark A. Pike provides practical examples from the classroom, including assessment and teaching, knitting these with an ethical critique of practice, stimulating readers to engage in critical reflection concerning the teaching of English. This book not only shows readers how to teach English but also helps them to critically evaluate the ethics of the practice of English teaching.

Pop Culture Yoga Kristen C. Blinne, 2020-01-23 Pop Culture Yoga: A Communication Remix was born out of a series of questions about the paradoxical nature of yoga: How do individuals and groups define yoga? What does it mean to practice yoga, and what does this practice involve? What are some of the most important principles, guidelines, or philosophical tenets of yoga that shape people's definitions and practices? Who has the power and authority to define yoga? What are the limits, if any, of shared definitions of yoga? Kristen C. Blinne explores the myriad ways yoga is communicatively constructed and defined in and through popular culture in the United States. In doing so, Blinne offers insight into the many identity work processes in play in the construction of yoga categories, illuminating how individuals and groups' words and actions represent practices of claiming part of a complex communicative process centered around membership categorization based on a range of authenticity discourses. Employing popular culture writing styles, Blinne ultimately contends that the majority of yoga styles practiced in the United States are remixes that can be classified as pop culture yoga, a distinct way of understanding this complex phenomenon.

The Last! 150 Really Useful English Phrases Jenny Smith, 2018-02-21 Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. This is the third and final book in the very popular 150 Really Useful English Phrases series. What made me want to write this book? After years of teaching intermediate students who never seemed to improve, I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of

learning than at the beginner stage You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed However what you need at the intermediate stage is not just more dry grammar and lists of vocabulary but to be exposed to as much real English in as many real life situations as possible This will help you start to understand what people are actually saying and not just textbook English It will also help you to naturally get a feel for the language Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself How will this book help you Every new phrase is introduced in the real context of a short story or an article So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study It's a simple fact that if you are having fun you will learn quicker and more easily This series of books is an excellent way to be exposed to real everyday English phrases but with the guidance of clear explanations and examples in simple English Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level All of the phrases in this book are in common use and are the key to unlocking fluency I have only included phrases which I have heard recently in conversation or on the radio or television If it is in this book it is in everyday use So if you are sick of being stuck and want to improve in a fun and engaging way please press the buy button on the top right of this page to get started today

entertain a growing engaged audience      **Writers on the Air** Donna Seaman,2005 Vibrant interviews from the radio program Open Books      **Thomas Paine** Bruce Kuklick,2018-05-08 Thomas Paine is a unique political thinker who has continued to attract scholarly and popular attention from the time he wrote about both the American and French Revolutions at the end of the eighteenth century This collection brings together the most recent essays debating the meaning and relevance of Paine s works It includes an historiographical survey of scholarship about Paine and articles by the leading authorities in the field The essays survey his life analyze his ideas place them in their social and intellectual context and appraise their significance today      **The Confident Switch** Shimeka Williams,2022-10-10 Are you stuck in a job that lacks fulfillment Do you want to change careers but don t know where to start Have you wondered if it s possible to earn an income doing what you truly love If so it s time to make The Confident Switch Many of us grew up believing that the key to success was to secure a steady and reliable source of income As a result we shaped our adult lives around pursuing a job and making decisions to earn a paycheck Yet while we accomplished many things and reached important goals something significant happened along the way Some of us maybe even most of us sacrificed our happiness and gave up on our dreams In today s world people realize that life is too precious to waste on things that don t add genuine value As a result a significant portion of the workforce is looking to shake off the outdated and uninspired standards of living in favor of something new There s just one problem the process of choosing and stepping into a new career can be overwhelming In The Confident Switch Shimeka Williams presents readers with a clear and insightful guide to finding their most fulfilling career First with an emphasis on mindset she tackles the myths that keep people stuck in unfulfilling jobs and provides a step by step process for identifying and pursuing your ideal Then she answers 10 of the most commonly asked questions among career changers and offers valuable advice and tips to help navigate the process of making a career pivot The Confident Switch will help you clarify your career goals develop confidence and launch you into a new future where you live a life you love      **Man** ,1925

Puerto Rican Soldiers and Second-Class Citizenship M. Avilés-Santiago,2014-11-26 Puerto Rican soldiers have been consistently whitewashed out of the narrative of American history despite playing parts in all American wars since WWI This book examines the online self representation of Puerto Rican soldiers who served during the War on Terror focusing on social networking sites user generated content and web memorials      *The Oxford Companion to Children's Literature* Daniel Hahn,Michael Morpurgo,2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns      **The Invisible Hand in Popular Culture** Paul Arthur Cantor,2012-11-05 Popular culture often champions freedom as the fundamentally American way of life and celebrates the virtues of independence and self reliance But film and television have also explored the tension between freedom and other core values such as order and political stability What may look like healthy productive and creative

freedom from one point of view may look like chaos anarchy and a source of destructive conflict from another Film and television continually pose the question Can Americans deal with their problems on their own or must they rely on political elites to manage their lives In this groundbreaking work Paul A Cantor explores the ways in which television shows such as Star Trek The X Files South Park and Deadwood and films such as The Aviator and Mars Attacks have portrayed both top down and bottom up models of order Drawing on the works of John Locke Adam Smith Alexis de Tocqueville and other proponents of freedom Cantor contrasts the classical liberal vision of America particularly its emphasis on the virtues of spontaneous order with the Marxist understanding of the culture industry and the Hobbesian model of absolute state control The Invisible Hand in Popular Culture concludes with a discussion of the impact of 9 11 on film and television and the new anxieties emerging in contemporary alien invasion narratives the fear of a global technocracy that seeks to destroy the nuclear family religious faith local government and other traditional bulwarks against the absolute state

**Breathing Out**  
Peggy Lipton, David Dalton, Coco Dalton, 2025-03-14 Peggy Lipton's overnight success as Julie Barnes on television's hit The Mod Squad made her an instant fashion icon and the it girl everyone from Elvis to Paul McCartney wanted to date She was the original and ultimate California girl of the early seventies complete with stick straight hair a laid back style and a red convertible But Lipton was much more smart and determined to not be just another leggy blonde she struggled for a way to stay connected to her childhood roots though her coming of age had not been an easy one And when she fell in love with Quincy Jones that wasn't easy either their biracial marriage made headlines and changed her life Lipton's passionate and complicated seventeen year marriage to Jones plunged her into motherhood and also into periods of confusion and difficulty Her struggle to keep moving forward in the world while maintaining a rich inner life informed many of her decisions as an adult When Lipton's marriage to Jones ended she returned to television appearing in David Lynch's Twin Peaks as well as in The Vagina Monologues and other stage productions But her most recent triumph has been her overcoming a surprising diagnosis of colon cancer in 2003 Breathing Out is full of fresh stories of life with the pop culture icons of our times but is also a much more thoughtful book about life in the limelight work motherhood and marriage It's a refreshing and real look at the life of an actress who became in many senses a woman of her times
