Bell, 2000

In 1869 a group of ministers and religious faithful established a permanent Methodist camp meeting community on the North Jersey shore. A state charter was issued one year later and the community of Ocean Grove was born. Following the example set by other camp meetings, Ocean Grove became a center for religious revivals. The town continued to flourish as railroad and steamship lines transported passengers eager to escape the nearby crowded cities. For more than one hundred years, Ocean Grove has provided a retreat to those wishing to return to a life of religious renewal and recreation. Ocean Grove is a detailed look at the growth of this unique seaside community. Home to the largest aggregate of Victorian and early twentieth century structures in America, Ocean Grove continues to provide its visitors with a glimpse into the past. Ocean Grove has maintained its custom of holding summer camp meetings for over one hundred thirty years. These annual revivals have attracted such notable speakers and guests as William Jennings Bryan, Booker T. Washington, and Presidents Grant and Roosevelt to the Great Auditorium. Since its conception, Ocean Grove has been home to an uncommon history, making Ocean Grove a treasure.

**Cities of Zion** Samuel Avery-Quinn, 2019-10-14. *Cities of Zion: The Holiness Movement and Methodist Camp Meeting Towns in America* follows Methodists and holiness advocates from their urban worlds of mid-century New York City and Philadelphia out into the wilderness where they found green worlds of religious retreat. In that most traditional of Methodist theaters, the camp meeting, Samuel Avery Quinn examines the transformation of American Methodist camp meeting revivalism from the Gilded Age through the twenty-first Century. These transformations are a window into the religious worlds of middle-class Protestants as they struggled with economic and social change, industrialization, moral leisure, theological controversies, and radically changing city life and landscape. This study comprehensively analyzes camp meeting revivalism in America to offer a larger narrative to the historical movement. Avery Quinn studies how Methodists and holiness advocates sought to sanctify leisure and recreation, struggled to balance a sense of community while mired in American gender role and race relation norms, wrestled with the governance and town planning of their communities, and confronted the shifting economic fortunes and continuing theological controversies of the Progressive Era.
