apartment and I immediately realized that my space could not accommodate a big Minotaur like him Make yourself comfortable I said as I went into the kitchen to pour us some wine The only place that could comfortably seat Jordan was my couch which was equipped for two humans or one big Minotaur The couch creaked under his weight as he sat his massive body in it I returned with the wine looking around for a place to sit as he patted his lap A pang of arousal shot through me as I imagined being in his arms I sat the wine glasses down on the coffee table and climbed on his lap sideways One arm supported my back as the other draped over my legs His musky manly taste surrounded me as I laid my head on his chest I really like you I whispered afraid to say the words out loud but still needing to say them I really like you too Jade he said gently putting one finger under my chin and lifting my head up to his Butterflies twirled in my stomach as he bent his head down slowly giving me every chance to stop him I didn't want to stop him I wanted his lips on mine his arms surrounding me and never letting me go His lips inched closer to mine His delicious scent clouded my mind making everything around me disappear A moan slipped from my throat as his mouth touched mine His lips were big and soft under mine and I loved how they touched my entire mouth and more I lost myself in the kiss as he slowly discovered my mouth with his lips Jordan's kisses were soft and inquisitive as if searching to see what I enjoyed My arms curled around his neck pulling him closer to me never wanting this moment to end

Excerpt Off in the distance somewhere beyond the walls she heard the same scratching sound from before Adria's

mind immediately returned to the horrific figure holding aloft the dead hero from the vault Outside that ominous scraping noise continued Up and down back and forth She strained but it took quite a while before she was able to orientate herself enough in the pitch blackness to figure out from which direction the sound came If the sound whatever it is comes from here the loudest this must be Knocking around the entire cell the difference in tone was almost imperceptible but finally she found a place where the sound was less thick maybe even hollow on the other side Well what can it hurt to try Putting her back against the stone and digging her heels in hard she pushed It may as well have been a cave wall for how much it moved She dug in and shoved again gritting her teeth and pushing with all her might Woops Adria yelped as her feet shot out from under her and she crashed down hard on her tailbone She pushed herself off the dirt and gritted her teeth One more try Adria one more try This thing s gonna move it just has to Adria gasped when her second shove worked far better than she thought The stone practically flew backwards out of the wall and away from her back Through empty space she fell Tumbling through the gaping hole in her little chamber and into a hallway Adria blinked as a cloud of dust stung her eyes She stood stumbled and tripped again falling forward this time That time though something caught her something very large and very very strong
