Officer Survival For Probation And Parole Officers:

Officer Survival for Probation and Parole Officers Scott Kirshner, 2014-11-17 Officer Survival for Probation and Parole Officers by Scott Kirshner is a comprehensive doctrine on officer survival skills for those who supervise offenders in the community. Community Corrections Officers also known as Probation and Parole Officers supervise both juvenile and adult offenders who have a demonstrated and documented history of breaking the law. The reality is that most offenders even violent offenders will eventually be released from jail or prison and may end up on either probation or parole. Community Corrections Officers often supervise offenders with a history of violence, domestic violence, sex offenders, seriously mentally ill, gang offenders, members of hate groups, etc. that will not hesitate to harm you if the offender feels that their freedom is in jeopardy. Probation Officers and Parole Officers have been killed and seriously injured in the line of duty. It is critical that probation and parole officers train officer survival skills in a manner that is realistic, dynamic, and under stressful conditions. If you are not training for the worst case scenario, then your training will not prepare you for the realities of a dynamic and violent encounter. In *Officer Survival for Probation and Parole Officers*, you will learn about Officers that have been killed in the line of duty: Combat, Mindset, Survival, Fundamentals, Use of Force, Office Safety, Field Safety, Probation and Parole Searches, Self Aid, Buddy Aid. *Officer Survival for Probation and Parole Officers* has valuable exercises that you can use to increase your officer survival skills. Additionally, it has a copy of a Search Operational Plan that you can use to prepare for probation or parole searches. Whether you are a new officer or seasoned veteran supervising juvenile or adult offenders, this book will provide you with information that you can immediately implement to make you safer. This book can literally save your life.

Officer Survival Training Scenarios Scott Kirshner, 2015-10-12 *Officer Survival Training Scenarios* by Scott Kirshner consists of a total of 100 training scenarios in a workbook format that can be used by probation and parole officers. Included in these 100 scenarios are 15 scenarios that are based on Officer Safety Training Violations and what course of action you would take as an instructor or student. These scenarios can be used individually in a group setting or modified for scenario-based force on force training. Each scenario covers the Elements of Force and a determination is then made on the most appropriate officer response based on the totality of the circumstances as outlined in the U.S. Supreme Court case *Graham v. Connor*. Variables can be altered to change the outcome of each scenario. If you are looking to take your use of force knowledge to the next level, this is a training resource you need.

Survival Guide for New Probation Officers Earlene Festervan, 2000 This easy to read guide provides the necessary information for anyone interesting in becoming a probation officer or just starting out in the field. It can be used as a helpful supplement to training or as a manual for students. Festervan describes the ethics behind probation, including how to maintain a professional relationship, officer safety, and casework, court work, and documentation. With more than 4 million people on probation or parole, it is essential to train and inform probation officers of their duties to the offender as well as the community.
