The Tricker is History Carter Thomas Meland,2002 **Game Changer** Jean-Manuel Izaret,Arnab Sinha,2023-10-17 The right pricing strategy can change the entire trajectory of a business a market and even society at large To help you create your best pricing strategy efficiently and confidently two leaders from BCG are introducing fresh perspectives on pricing that take you far beyond the realm of mind numbing numbers In their new book Game Changer How Strategic Pricing Shapes Businesses Markets and Society Jean Manuel Izaret and Arnab Sinha simplify and clarify pricing strategy by integrating its

many frameworks and concepts into seven distinct pricing games each with its own proven tools rules forces and structures To help you pick the right game and play it well Izaret and Sinha have developed the Strategic Pricing Hexagon a tool refined through years of testing iteration and adaptation The Hexagon is your portal to a business world where stronger growth and better financial performance come from a set of strategic pricing decisions not endless myopic quests for optimal prices But more than that the Hexagon will change the way you think about and talk about pricing The current conversation around pricing as expressed through economics textbooks Excel spreadsheets political discourse and educated guesswork makes it easy to believe that pricing is nothing more than a technical tactical and for most people boring game of numbers Game Changer changes that conversation by sharing stories and research that bring the Hexagon and its seven pricing games to life With research from BCG's Bruce Henderson Institute and real world examples from the world's most influential companies the authors and their colleagues at BCG define pricing strategy as a business leader's or business owner's conscious decisions about how money flows in their market They show how companies succeed in the long term when they focus on collaborative growth and value sharing with customers not zero sum value extraction from them Discover how you can create and implement a winning pricing strategy that changes the trajectory of your business your market and even society

Bhagavad Gītā and Leadership Satinder Dhiman, 2018-12-17 This book shows how the Bhagavad Gītā part of the great Indian epic the Mahābhārata can be approached as a powerful tool for change management and as a catalyst for organizational transformation It presents time tested leadership strategies drawn from the Bhagavad Gītā that are relevant for today's leaders This book focuses on how to harmonize the needs of the individual with the needs of society and by extension how to harmonize the needs of employees and the organization It employs an inside out leadership development approach based on Self knowledge and Self mastery the two highly important areas for practicing effective Self leadership The Gītā is a non sectarian spiritual text with a universal message for living a life of meaning purpose and contribution and for leading from our authentic self It shows how to manage oneself as a necessary prelude to leading others Students and organizational leaders will learn to integrate leadership function more effectively into all aspects at the individual team and institutional level
