Marketing Briefs: A Revision and Study Guide

Sally Dibb, 2012-08-21. Complementing Dibb and Simkin's established reputation in their field, this text presents a punchy overview of the leading 50 themes of marketing, each concisely summarized for revision purposes or quick learning. While appealing primarily to students undertaking marketing exams, many practitioners will also find this glossary of current marketing hard to resist. The title builds on the earlier works of Dibb and Simkin, whose Houghton Mifflin text *Marketing Concepts and Strategies* is the current business school market leading text in the United Kingdom, while their Thomson Learning text *The Marketing Casebook: Cases and Concepts* has just been revised and is the most widely used marketing casebook. From understanding customers, branding, and positioning, relationship marketing, social responsibility, through to value-based marketing and one-to-one marketing, this book covers all the issues the modern marketer must address. The text itself is organized into short, structured chapters, the Briefs, each including: Core definitions; A bulleted key point overview; Thorough yet concise explanation of the concept and primary issues; Illustrative examples; A selection of examination style case, essay, and applied questions; Recommended further reading and sources. Together, these offer a rounded, concise, and topical appreciation of each theme within a clear and accessible framework designed to aid revision. Also included are revision tips and golden rules for tackling examinations, specimen examination papers with answer schemes, and a full glossary of key marketing terms.

Marketing Analytics: A Practitioner's Guide To Marketing Analytics And Research Methods Ashok Charan, 2015-05-20. The digital age has transformed the very nature of marketing. Armed with smartphones, tablets, PCs, and smart TVs, consumers are increasingly hanging out on the internet. Cyberspace has changed the way they communicate and the way they shop and buy. This fluid, decentralized, and multidirectional medium is changing the way brands engage with consumers. At the same time, technology and innovation, coupled with the explosion of business data, has fundamentally altered the manner we collect, process, analyze, and disseminate market intelligence. The increased volume, variety, and velocity of information enables marketers to respond with much greater speed to changes in the marketplace. Market intelligence is timelier, less expensive, and more accurate and actionable. Anchored in this age of transformations, *Marketing Analytics* is a practitioner's guide to marketing management in the 21st century. The text devotes considerable

attention to the way market analytic techniques and market research processes are being refined and re engineered Written by a marketing veteran it is intended to guide marketers as they craft market strategies and execute their day to day tasks
