

My Family History

Would you want to know how it all started until here? My grandpa told me that he met my grandma at a concert where one of the greatest artists was performing during one of the summer holidays in New York City. As he was dancing alone, my grandpa approached a beautiful lady (who would become his soulmate) to ask her to dance together. They later agreed to meet for a dinner date. Our family lives in New York. Undoubtedly, this is the best family, and it's an honor to be part of it.

Every person has two sides within his/her family; my paternal side originates from Canada, while the maternal side is from America. Although my great grandfather comes from Canada, my grandpa and grandma live in New York. My grandfather is Afro-American who worked as a bartender, no wonder he loved concerts! My father works as a conservationist for aquatic fauna while my mother works in the bakery. My mother and father met in a supermarket when they were both doing shopping.

Although we live in the same city, my grandparents have their apartment, a distance from ours. We live as a family of five: dad, mum, and three children. As we all live in the same city, we (me and my two sisters) occasionally visit our grandparents during the weekends to spend some time with them; grandpa and I were doing some gardening while my sisters and grandma do cook and other house chores. The bond between our great parents and ours is very excellent.

At Christmas, all my children, mum, and dad travel to our grandparents for a whole week. During the new year, we get together at our house, my parent's house, to welcome the year as an entire family. Sometimes during the weekends, we usually spend most of our time on the beach swimming, except on church days. As a family, our favorite food is deep-fried fish, rice, and vegetables. However, my grandpa likes chicken hash.

In conclusion, the social co-existence between us is excellent, which has created a robust mutual bond for the family. From visiting each other, spending time on the beach, having to get together meals to usher the new year, and celebrating Christmas as a family, the bond keeps growing. I am privileged to be part of such a great family.
