

Nursing Graduates: Special Wishes

Nurses have a unique perspective and understanding of how precious life is. This perspective is a gift.

Always remember that you are making a difference every day in someone's life – no matter how big or small.

You will give your patients the ability to live their lives to the fullest. You will be a light in their lives during the darkness. You will be their hope and their guide. You will be there to comfort them when they have pain and when they have sorrow.

This is a great privilege you will have. Please don't take it lightly. Believe in yourself always and your ability to make an impact and to create change.

I know each of you will make a difference and do great things and we will be here cheering you along the way, grateful you have chosen to be our next generation of nurses.
