Neighbor Law The Editors of Nolo, 2023-05-01 Resolve neighbor conflicts and get peace of mind Don't let a neighborly nuisance turn into a nasty lawsuit Learn your rights and responsibilities with Neighbor Law the plain English guide to the laws behind common neighbor disputes Neighbor Law is more than a legal guide it's a practical book filled with tips on how to solve problems and restore good neighbor relations Find out how to handle noisy neighbors trees that hang over a property line blocked views unclear boundary lines high unsightly or deteriorating fences dangers to children attractive nuisances problems with neighboring businesses drones trespassing onto your property other common issues like secondhand smoke blighted property and animal issues The 11th edition includes updated laws and information on going to court boundary fences private nuisances and much more **Order without Law** Robert C. ELLICKSON, Robert C. Ellickson, 2009-06-30 In Order without Law Robert Ellickson shows that law is far less important than is generally thought He demonstrates that people largely govern themselves by means of informal rules social norms that develop without the aid of a state or other central coordinator Integrating the latest scholarship in law economics sociology game theory and anthropology Ellickson investigates the uncharted world within which order is successfully achieved without law The springboard for Ellickson's theory of norms is his close investigation of a variety of disputes arising from the damage created by escaped cattle in Shasta County California In The Problem of Social Cost the most frequently cited article on law economist Ronald H Coase depicts farmers and ranchers as bargaining in the shadow of the law while resolving cattle trespass disputes Ellickson's field study of this problem refutes many of the behavioral assumptions that underlie Coase's vision and will add realism to future efforts to apply economic analysis to law Drawing examples from a wide variety of social contexts including whaling grounds photocopying centers and landlord tenant relations Ellickson explores the interaction between informal and legal rules and the usual domains in which these competing systems are employed Order without Law firmly grounds its analysis in real world events while building a broad theory of how people cooperate to mutual advantage
