

ACKNOWLEDGEMENTS

I cannot express enough thanks to my committee for their continued support and encouragement: Dr. John Doe, my committee chair; Dr. Virginia Lands; Dr. Samuel Cartwright; and Dr. Michael Sherman. I offer my sincere appreciation for the learning opportunities provided by my committee.

My completion of this project could not have been accomplished without the support of my classmates, Sally, Robert, Gene, and Albert; and my children. To Jackie, Thomas, and Mary – thank you for allowing me time away from you to research and write. You deserve a trip to Disney! Thanks to my parents as well, Mr. and Mrs. Lawrence Smith. The countless times you kept the children during our hectic schedules will not be forgotten.

Finally, to my caring, loving, and supportive wife, Margaret: my deepest gratitude. Your encouragement when the times got rough are much appreciated and duly noted. It was a great comfort and relief to know that you were willing to provide management of our household activities while I completed my work. My heartfelt thanks.

A dedication page, should you chose to use one, would go after this page – same style heading; single spaced.
