Police Practices and Civil Rights in New York City United States Commission on Civil Rights, 2000 **The New York City Police Department's Stop & Frisk Practices** Eliot Spitzer, 1999 Canvasses 3 different perspectives on stop and frisk S F police activity in NY City Provides the legal definition of and constitutional parameters for S F encounters Considers S F from the perspective of both the N Y City Police Dept NYPD and minority communities that believe they have been most affected by the use of S F S F is also examined as part of the NYPD s training regimen and from the point of view of officers who have used the technique Provides an assessment of the S F tactic from the perspective of persons who have been stopped and commentary from persons who have observed the tactic s secondary effects Comprehensive **Evaluation of the New York City Police Department Firearm Training and Firearm-Discharge Review Process** Bernard D. Rostker, Lawrence M. Hanser, William M. Hix, Carl Jensen, Andrew R. Morral, 2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s firearm discharge review process This monograph reports the observations findings and recommendations of that study

Cop Cop Mac Muir, Greg Finch, 2025-04-29 In the vein of *Evicted* and *Locking Up Our Own* comes a seminal work that delves deep behind the Thin Blue Line of policing and police misconduct to demonstrate what really goes on when you try to hold the police accountable How often do you think about the police Who do you think of Columbo Chief Wiggum Derek Chauvin Do you think of just one officer or do you think of the police as an institution From movies and television to everyday life a police presence looms over most conflict Today we know this to be most true for Black Americans for whom the suspense of policing is constant And too often the argument over dinner devolves into a 9 1 1 call blue and red lights and possibly a door rammed open Some of us are watched by the police and others are chased But if there was a defining feature of the 2020 protests over the murder of George Floyd it was the collective confusion about how we got to this point Policing it seemed had become as ahistorical as it was brutal Despite fragmented coverage about police unions militarization and systemic racism America remained hazy on the details of what cops had been doing all along There is a Blue Wall and ways to get behind it The authors of this book Anon 1 and Anon 2 are senior investigators of a government agency tasked with policing the police in New York City They re our eyes on the inside and this book will take us into their world COP COP follows the web of real cases that the authors investigated over several years inside the Civilian Complaint Review Board As they investigate everything from offensive language and chokeholds to shootings the larger investigation builds into their argument for six simple solutions to fix American policing Readers will come away with a new vantage point as well as the tools of an investigator By combining their unique perspectives as police misconduct investigators with a synthesized history of policing this book offers newfound insights into what policing really looks like what the problems are and what practical

steps are necessary to create a criminal justice system that is truly just *Police Behavior, Hiring, and Crime Fighting* John A. Eterno, Ben Stickle, Diana Scharff Peterson, Dilip K. Das, 2021-09-27 This edited collection by internationally recognized authors provides essays on police behavior in the categories of police administration police operations and combating specific crimes Individual chapters strike at critical issues for police today such as maintaining the well being of officers handling stress hiring practices child sexual exploitation gunrunning crime prevention strategies police legitimacy and much more Understanding how police are hired and behave is a way of understanding different governments around the world The book will cover the practices of countries as diverse as China Germany India Japan Turkey South Africa the United States and others Readers will be exposed to aspects of police that are rarely if ever explored The book is intended for a wide range of audiences including law enforcement and community leaders and students of criminal justice **Drone Law and Policy** Anthony A. Tarr, Julie-Anne Tarr, Maurice Thompson, Jeffrey Ellis, 2021-08-11 Drone Law and Policy describes the drone industry and its evolution describing the benefits and risks of its exponential growth It outlines the current and proposed regulatory framework in Australia the United States the United Kingdom and Europe taking into consideration the current and evolving technological and insurance landscape This book makes recommendations as to additional regulatory and insurance initiatives which the authors believe are necessary to achieve an effective balance between the various competing interests The 23 chapters are written by global specialists on crucial topics such as terrorism and security airport and aircraft safety maritime deployment cyber risks regulatory oversight licensing standards and insurance This book will provide authoritative reference and expert guidance for regulators and government agencies legal practitioners insurance companies and brokers globally as well as for major organisations utilising drones in industrial applications *The Crime Numbers Game* John A. Eterno, Eli B. Silverman, 2017-07-27 In the mid 1990s the NYPD created a performance management strategy known as Compstat It consisted of computerized data crime analysis and advanced crime mapping coupled with middle management accountability and crime strategy meetings with high ranking decision makers While initially credited with a dramatic reduction in crime questions quic **Policing Major Events** James F. Albrecht, Martha Christine Dow, Darryl Plecas, Dilip K. Das, 2014-11-20 Whenever a major event requires police intervention questions are raised about the nature of the police response Could the police have prevented the conflict been better prepared reacted more quickly Could they have acted more forcefully or brought the altercation under control more effectively Based upon real case studies of events from all *Abolishing Surveillance* Chris Robé, 2023-09-05 The Department of Justice sought information on all who visited the DisruptJ20 org website for Donald Trump s inauguration Undercover agents infiltrate BlackLivesMatter protests Police routinely command bystanders to stop filming them by falsely claiming it is a crime Agricultural states like Iowa Idaho Utah and Wyoming enact laws that criminalize the filming of factory farm cruelty while allowing other the human animal suffering to continue unabated Dissent and poverty are increasingly criminalized by the state as precarity grows

Abolishing Surveillance offers the first in depth study of how various communities and activist organizations are resisting such efforts by integrating digital media activism into their actions against state surveillance and repression and for a better world The book focuses on a wide array of movements within the United States such as Latinx copwatching groups in New York City Muslim and Arab American communities in Minneapolis undercover animal rights activists and counter summit protesters to explore the ways in which government surveillance and repression impacts them and more importantly their different but related online and offline tactics and strategies employed for self determination and liberation Digital media production becomes a core element in such organizing as cell phones and other forms of handheld technology become more ubiquitous Yet such uses of technology can only be successfully employed when built upon strong grassroots organizing that has always been essential for social movements to take root Neither idealizing nor disparaging the digital media activism explored within its pages Abolishing Surveillance analyzes the successes and failures that accompany each case study The book explores the historically shifting terrain since the 1980s to the present of how historically disenfranchised communities activist organizations and repressive state institutions battle over the uses of digital technology and media making practices as civil liberties community autonomy and the very lives of people and other than human animals hang in the balance

The Policing Machine Tony Cheng, 2023-12-13 A revelatory look at how the NYPD has resisted change through strategic and selective community engagement The past few years have seen Americans express passionate demands for police transformation But even as discussion of no knock warrants chokeholds and body cameras has exploded any changes to police procedures have only led to the same outcomes Despite calls for increased accountability police departments have successfully stonewalled change In *The Policing Machine* Tony Cheng reveals the stages of that resistance offering a close look at the deep engagement strategies that NYPD precincts have developed with only subsets of the community in order to counter any truly meaningful democratic oversight Cheng spent nearly two years in an unprecedented effort to understand the who and how of police community relationship building in New York City documenting the many ways the police strategically distributed power and privilege within the community to increase their own public legitimacy without sacrificing their organizational independence By setting up community councils that are conveniently run by police allies handing out favors to local churches that will promote the police to their parishioners and offering additional support to institutions friendly to the police the NYPD like police departments all over the country cultivates political capital through a strategic politics that involves distributing public resources offering regulatory leniency and deploying coercive force The fundamental challenge with police community relationships Cheng shows is not to build them It is that they already exist and are motivated by a machinery designed to stymie reform

The 9/11 Commission Report National Commission on Terrorist Attacks upon the United States, Thomas H. Kean, Lee Hamilton, 2004-07 Final report of the National Commission on Terrorist Attacks upon the United States

Fight the Power Clarence Taylor, 2021-04-01 A story of resistance power and politics as

revealed through New York City's complex history of police brutality. The 2014 killing of Michael Brown in Ferguson, Missouri, was the catalyst for a national conversation about race, policing, and injustice. The subsequent killings of other black, often unarmed, citizens led to a surge of media coverage which in turn led to protests and clashes between the police and local residents that were reminiscent of the unrest of the 1960s. *Fight the Power* examines the explosive history of police brutality in New York City and the black community's long struggle to resist it. Taylor brings this story to life by exploring the institutions and the people that waged campaigns to end the mistreatment of people of color at the hands of the police, including the black church, the black press, black communists, and civil rights activists. Ranging from the 1940s to the mayoralty of Bill de Blasio, Taylor describes the significant strides made in curbing police power in New York City, describing the grassroots street campaigns as well as the accomplishments achieved in the political arena and in the city's courtrooms. Taylor challenges the belief that police reform is born out of improved relations between communities and the authorities, arguing that the only real solution is radically reducing the police domination of New York's black citizens.

Police Practices and Civil Rights in New York City Mary Frances Berry, 2000-12. On May 26, 1999, the U.S. Commission on Civil Rights conducted a hearing in New York City to examine current police practices, police-community relations, civilian complaints.

Misdemeanorland Issa Kohler-Hausmann, 2019-08-27. A criminal defense attorney, sociologist, and legal scholar takes readers inside New York City's lower criminal courts.

The 9/11 Commission Report National Commission on Terrorist Attacks, 2011-05-16. Nearly three thousand people died in the terrorist attacks of September 11, 2001. In Lower Manhattan, on a field in Pennsylvania, and along the banks of the Potomac, the United States suffered the single largest loss of life from an enemy attack on its soil. In November 2002, the United States Congress and President George W. Bush established by law the National Commission on Terrorist Attacks Upon the United States, also known as the 9/11 Commission. This independent bipartisan panel was directed to examine the facts and circumstances surrounding the September 11 attacks, identify lessons learned, and provide recommendations to safeguard against future acts of terrorism. This volume is the authorized edition of the Commission's final report.

Policing and Minority Communities James F. Albrecht, Garth den Heyer, Perry Stanislas, 2019-07-31. This insightful book examines the allegations against the professionalism, transparency, and integrity of law enforcement toward minority groups from a global perspective. It addresses the challenges inherent in maintaining strong ties with members of the community and draws attention to obstacles in ensuring public confidence and trust in rule-of-law institutions. Most importantly, the book provides insight into mechanisms and proposals for policy reform that would permit enhanced police-community partnership, collaboration, and mutual respect. Acknowledging the consistency of this concern despite geographic location, ethnic diversity, and religious tolerance, this book considers controversial factors that have caused many groups and individuals to question their relationship with law enforcement. The book examines the context of police-community relations with contributed research from Nigeria, South Africa, Kosovo, Turkey, New Zealand,

Mexico Scandinavia and other North American and European viewpoints It evaluates the roles that critical factors such as ethnicity political instability conflict colonization mental health police practice religion critical criminology socialism and many other important aspects and concepts have played on perceptions of policing and rule of law A valuable resource for law enforcement practitioners and researchers policy makers and students of criminal justice Policing and Minority Communities Contemporary Issues and Global Perspectives confronts crucial challenges and controversies in policing today with quantitative and qualitative research and practical policy recommendations **Devil's Bridge** Linda

Fairstein,2015-08-11 In her seventeenth Alexandra Cooper thriller New York Times bestselling author Linda Fairstein takes readers where they have never been before Inside the mind of NYPD Detective Mike Chapman The Manhattan waterfront is one of New York City s most magnificent vistas boasting both the majestic Statue of Liberty and the George Washington Bridge the world s busiest span for motor vehicles But in Devil s Bridge Detective Mike Chapman will discover the peril that lurks along this seemingly benign expanse as he takes on his most personal case yet the disappearance of Alex Cooper Coop s sudden disappearance is fraught with terrifying complications scores of enemies she has made after a decade of putting criminals behind bars a recent security breach with dangerous repercussions and a new intimacy in her relationship with Mike causing the Police Commissioner himself to be wary of the methods Mike will use to get Coop back if he can Once again Linda Fairstein proves why she is one of the best crime fiction writers in America today with her most intense Alexandra Cooper novel yet Nelson DeMille **Routledge International Handbook of Critical Gang Studies** David
