**Obamacare Implementation** United States. Congress. House. Committee on Oversight and Government Reform, 2014

**Obamacare: What's in It for Me?** Wendell Potter, 2013-12-06 On January 1 2014 the most important consumer protections in ObamaCare the Affordable Care Act go into effect With both supporters and opponents of the law debating its merits and its controversial rollout there is a need for news you can use types of resources from credible third parties Enter Wendell Potter author of *Deadly Spin* and former health insurance executive Obamacare What s in It for Me is the authoritative source for Americans needing to know how the law will affect them and their families How will it affect the millions of Americans who already have coverage through their employers People who work for small companies that don t offer coverage The unemployed People who are in their 20s 30s and 40s some of whom may find that coverage costs them more than before Older Americans not yet eligible for Medicare many of whom will be able to get much more affordable coverage Medicare beneficiaries Low to moderate income individuals and families People with pre existing conditions Children As a former insurance industry insider and now a recognized expert on ObamaCare Wendell Potter is perfectly positioned to explain to a wide audience hungry for the real story without the spin of just what this health care overhaul means for all of us

**Examining Obamacare's Failures in Security, Accountability, and Transparency** United States. Congress. House. Committee on Oversight and Government Reform, 2015

**The Ultimate Obamacare Handbook (2015-2016 edition)** Kimberly Amadeo, 2015-09-15 The Affordable Care Act aka Obamacare makes health insurance available to the majority of Americans In fact failure to obtain coverage will result in penalties but the process of obtaining insurance can be daunting This brief handbook explains the law and its history and tells readers how to apply for coverage and any exemptions and subsidies if they are eligible Editor Amadeo an expert on the act discusses the benefits of having insurance and how the plan is financed Each chapter has references and the book has a glossary and a bibliography to help readers This is a useful resource but libraries should also have information about local exchanges if their states have them Barbara Bibel BOOKLIST March 15 2016 issue Obamacare can save you money but only if you know how it really works Americans have been barraged with fifteen times more negative than positive news about Obamacare As a result 40 percent of the people who dislike it actually qualified for insurance subsidies and don t realize it Hardworking middle class families need facts not opinions to get all the benefits they deserve Here you ll find A guide to buying low cost health insurance Step by step instructions to signing up for insurance Directions to apply for Obamacare exemptions Eligibility requirements for subsidies Definitions of insurance health care and Obama terms Real life stories of people who have already been helped This handbook refutes the myths about the Affordable Care Act with research based evidence It reveals the seven reasons why health care costs so much as well as how the ACA attacks those costs You ll learn who really gets benefits from subsidies and who pays for them Most importantly this book uncovers how the ACA might save you and your family money in 2016 and

beyond *Obamacare: Complete Law, Latest Statistics & Republican's Counterproposal* White House, United States Congress, 2017-03-20 This e book contains the complete text of The Patient Protection and Affordable Care Act which is formatted for your eReader with a functional and detailed table of contents The edition also includes the latest data on health coverage and health care expenses as well as the Republicans counter arguments and their proposed bill Patient Protection and Affordable Care Act or Obamacare is a United States federal statute which at the same time represents the complete reform of the American health care system conducted by the former president Barack Obama The main goal of this act was to drive better health outcomes lower costs and improve accessibility to health services The whole system was designed to increase health insurance quality and affordability lower the uninsured rate by expanding insurance coverage and reduce the costs of healthcare In March 2017 the Republican Party which opposed Obamacare released its plan to replace it The Big Con Mariana Mazzucato, Rosie Collington, 2025-05-20 A vital and timely investigation into the opaque and powerful consulting industry and what to do about it There is an entrenched relationship between the consulting industry and the way business and government are managed today that must change Mariana Mazzucato and Rosie Collington show that our economies reliance on companies such as McKinsey Company Boston Consulting Group Bain Company PwC Deloitte KPMG and EY stunts innovation obfuscates corporate and political accountability and impedes our collective mission of halting climate breakdown The Big Con describes the confidence trick the consulting industry performs in contracts with hollowed out and risk averse governments and shareholder value maximizing firms It grew from the 1980s and 1990s in the wake of reforms by the neoliberal right and Third Way progressives and it thrives on the ills of modern capitalism from financialization and privatization to the climate crisis It is possible because of the unique power that big consultancies wield through extensive contracts and networks as advisors legitimators and outsourcers and the illusion that they are objective sources of expertise and capacity In the end the Big Con weakens our businesses infantilizes our governments and warps our economies In The Big Con Mazzucato and Collington throw back the curtain on the consulting industry They dive deep into important case studies of consultants taking the reins with disastrous results such as the debacle of the roll out of HealthCare.gov and the tragic failures of governments to respond adequately to the COVID 19 pandemic The result is an important and exhilarating intellectual journey into the modern economy's beating heart With peerless scholarship and a wealth of original research Mazzucato and Collington argue brilliantly for building a new system in which public and private sectors work innovatively for the common good **Writing a Research Paper in Political Science** Lisa A. Baglione, 2018-12-31 Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience Crafting the right research question finding good sources properly summarizing them operationalizing concepts and designing good tests for their hypotheses presenting and analyzing quantitative as well as qualitative data are all tough going without a great deal of guidance and encouragement Writing a Research Paper in Political Science breaks down the research

paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished Practical summaries recipes for success worksheets exercises and a series of handy checklists make this a must have supplement for any writing intensive political science course New to the Fourth Edition A non causal research paper woven throughout the text offers explicit advice to guide students through the research and writing process Updated and more detailed discussions of plagiarism paraphrases drop ins and transcripts help to prevent students from misusing sources in a constantly changing digital age A more detailed discussion of fake news and disinformation shows students how to evaluate and choose high quality sources as well as how to protect oneself from being fooled by bad sources Additional guidance for writing abstracts and creating presentations helps students to understand the logic behind abstracts and prepares students for presentations in the classroom at a conference and beyond A greater emphasis on the value of qualitative research provides students with additional instruction on how to do it

**Understanding Obamacare** Richard Reece MD,2014-04-21 This is one physicians point of view of the chaotic political and practice environment and where it goes from here Where it stops nobody yet knows The author strives to dissect health reforms complexities in a straightforward matter He mixes prose with poetry and even throws in a little humor to boot Still he recognizes health reform is a deadly serious subject that impacts every American young and old the healthy and the sick rich and poor He gives the good the bad and the ugly of reform effortscoverage of pre existing illnesses physician shortages and unaffordable costs Hold on to your hat and your saddleits going to be bumpy ride     State Politics and the Affordable

Care Act John C. Morris, Martin K. Mayer, Robert C. Kenter, Luisa M. Lucero, 2019-06-21 After a great deal of discussion and debate across all levels of government President Obama signed the Affordable Care Act ACA into law in March 2010 Since President Trump's election into office the ACA has stayed in the headlines Trump has continued to call for the replacement and repeal of the ACA and several efforts have spawned in both the House and the Senate to accomplish this goal Unlike welfare reform which was generally embraced by all states the ACA has proven very divisive in some states with some states actively seeking to block implementation Alternative solutions continue to prove elusive To better understand the major factors driving decision making process and state level dynamics influencing state support or opposition of the ACA this book examines the initial implementation through established support and opposition factors across four states Alabama Michigan California and New Hampshire The choices made by states are a direct consequence of long term forces and the choices made at the national level State Politics and the Affordable Care Act will be of interest to scholars researching in public administration policy formulation and implementation and policy analysis **The Affordable Care Act on Shaky Ground** United States. Subcommittee on Oversight and Investigations, 2017 **ObamaCare Survival Guide** Nick J. Tate, 2013 Explores the intricacies of and offers practical guidance on the Patient Protection and Affordable Care Act **Obamacare Wars** Daniel Béland, Philip Rocco, Alex Waddan, 2023-02-10 Not five minutes after the Affordable Care Act ACA was signed into law in March 2010 Virginia's attorney general was suing to stop it And yet the ACA rolled out in infamously bumpy fashion and rolled on fought and defended at every turn despite President Obama's claim in 2014 that its proponents and opponents could finally stop fighting old political battles that keep us gridlocked But not only would the battles not stop as Obamacare Wars makes acutely clear they spread from Washington DC to a variety of new arenas The first thorough account of the implementation of the ACA this book reveals the fissures the act exposed in the American federal system Obamacare Wars shows how the law's intergovernmental structure which entails the participation of both the federal government and the states has deeply shaped the politics of implementation Focusing on the creation of insurance exchanges the expansion of Medicaid and execution of regulatory reforms Daniel B land Philip Rocco and Alex Waddan examine how opponents of the ACA fought back against its implementation They also explain why opponents of the law were successful in some efforts and not in others and not necessarily in a seemingly predictable red vs blue pattern Their work identifies the role of policy legacies institutional fragmentation and public sentiments in each instance as states grappled with new institutions as in the case of the exchanges or existing structures in Medicaid and regulatory reform Looking broadly at national trends and specifically at the experience of individual states Obamacare Wars brings much needed clarity to highly controversial but little understood aspects of the Affordable Care Act's odyssey with implications for how we understand the future trajectory of health reform as well as the multiple forms of federalism in American politics *The*

*Affordable Health Care Act (ObamaCare) and the Concept of Universal Healthcare* Patrick Kimuyu, 2017-11-28 Research Paper postgraduate from the year 2016 in the subject Health Public Health grade 1 Egerton University language English abstract Healthcare reforms in the United States have always been faced with challenges ranging from the drafting of the concerned policies to their implementation This is probably the reason as to why the U S healthcare system has never attained remarkable sustainability especially through the elimination of health inequalities with the population However ObamaCare has attracted unprecedented political criticism owing to its cost consequences Therefore this paper will provide an overview of the U S context in which the Affordable Care Act has attracted political criticism It will also present the methods used to analyze different perspectives of the issue in regard to political narrative strategies in which the dominant perspective will discuss the concept on universal healthcare as a reliable public policy **Not All In** Tiffany D. Joseph, 2025-03-11 Examines how health policy shifts fail to fully serve immigrant communities due to structural racism and anti immigrant rhetoric and enforcement measures Despite progressive policy strides in health care reform immigrant communities continue to experience stark disparities across the United States In *Not All In* Tiffany D Joseph exposes the insidious contradiction of Massachusetts advanced health care system and the exclusionary experiences of its immigrant communities Joseph illustrates how patients race ethnicity and legal status determine their access to health coverage and care services revealing a disturbing paradox where policy advances and individual experiences drastically diverge Examining Boston's Brazilian Dominican and Salvadoran communities this book provides an exhaustive analysis spanning nearly a decade to highlight the profound impacts of the Affordable Care Act and subsequent policy shifts on these marginalized groups *Not All In* is a critical examination of the systemic barriers that perpetuate health care disparities Joseph challenges readers to confront the uncomfortable truths about racialized legal status and its profound implications on health care access This essential book illuminates the complexities of policy implementation and advocates for more inclusive reforms that genuinely cater to all Urging policymakers health care providers and activists to rethink strategies that bridge the gap between legislation and life this book reminds us that in the realm of health care being progressive is not synonymous with inclusivity *Evaluating Privacy, Security, and Fraud Concerns with Obamacare's Information Sharing Apparatus* United States.
