 White, 2016-11-03 Youth unemployment in the UK remains around the one million mark with many young people from
 impoverished backgrounds becoming and remaining NEET Not in Education Employment or Training However the NEET
 categorisation covertly disguises and obscures the significance of the diverse range of activities achievements and
 accomplishments of those who operate in the informal creative economy With grime music and its related enterprise a key
 component of the urban music economy this book employs the inherent contradictions and questions that emerge from an
 exploration of the grime music scene to build a complex reading of the socio economic significance of urban music
 Incorporating insightful dialogue with the participants in this economy White challenges the prevailing wisdom on
 marginalised young people whilst also confronting the assumption that the inertia and localisation of the grime culture
 results from its close links to NEET members and the informal sector Offering an ethnographic and timely critique of the
 NEET classification this compelling book would be suitable for undergraduate and post graduate students interested in urban
