Of Dogs And Men:

OF DOGS AND MEN - A myth therapy Marc Asanov Archibald, 2016-08-03 A group of pseudo scientists assemble to devise a revolutionary experiment that could change the concept of creation and evolution of species The experiment would create the bases of a sudden transformation of a dog into a man The scientists discuss issues that may concern such transformation from a dog into a man such as feeding sex habits and bathroom routines Freud Darwin and God are cited copiously to support such a sudden metamorphosis At the end of the convention the scientists are preparing manuals to be used by people that would like to transform their dog into a man Bruce and Estelle the owners of a German shepherd dog named Rex are some of the dog masters that receive those manuals by mail They find out that Rex's dream is in fact to become a superman Bruce and Estelle transform their backyard into a classroom the table is full of books ready for reading and two posters depicting a dog male and a dog female anatomy on the back wall They begin teaching Rex elementary things such as vocabulary numbers sexual behavior and manly attitude towards women Estelle especially spends time showing Rex her body letting him touch her breasts and all Bruce and Estelle also discuss other topics such as the history of humanity time religion sins and facts of life What started as a routine class following the scientific manuals becomes slowly a hodgepodge of useful teaching coupled with information waste Estelle talks of a possibility to see one day her mom pass by and find out that Rex is not anymore a dog At that stage Rex has enough knowledge to stop listening to his two tutors and become involved in expressing original ideas and also declare openly his love for Estelle which infuriates Bruce During the lessons Rex's appearance changes slowly into a man Almost at the end of this transformation process a woman wearing circus like huge prosthetic legs approaches the three protagonists She tells them that their attempt to transform a dog into a man is illegal and threatens to report them to the police Bruce and Estelle ignore her Only Rex becomes apprehensive that police may end his dream to become a full fledged man As physical transformation of Rex into a man becomes obvious Estelle asks him to change his fur coat with a cardigan she knitted meanwhile As expected Estelle's mom comes by one day and is pleasantly surprised by Rex's transformation into a gentleman though she finds Rex's declared passion for Estelle very disturbing She runs out of the courtyard into the house with the pretext of taking a nap Not long after that a group made out of four policemen and a priest and exhibiting a Sturm und Drang behavior push through the door and demand explanations about the metamorphosis situation The priest is the one that reads the bible paragraphs that describe the human dog coitus as being a forbidden sin A Scientific policeman inquires about Bruce's qualification to transform dogs into men *The Cruellest Miles: The Heroic Story of Dogs and Men in a Race Against an Epidemic* Gay Salisbury, Laney Salisbury, 2005-02 The story of the 1925 Nome Alaska diphtheria epidemic describes the plight of the patients with a blizzard imminent and the much needed serum seven hundred miles away as teams of sled dogs and their drivers become the only hope for survival

Dogs and Men Henry Childs Merwin, 1910 *Golden Book of Dogs and Men* Nettie Hicks Killgore, 19?? *Dogs and Men* Henry C. Merwin, 2017-09-21 First published in 1910 in the Atlantic magazine this is a powerful and heartfelt essay that perfectly encapsulates the love and trust that all dog lovers should feel towards their four legged friends With chapters named after the canine stars of the show Pedro Carus Don Sylvan Roamer and Toby This text has been republished here for its historical and cultural significance Including a brand new introduction on the subject of dogs in fiction

Last Days of the Dog-Men Brad Watson, 2025-04-25 His people and dogs those wonderful dogs come alive with honest thrumming energy The New York Times Book Review Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters and the Great Lakes Colleges Association New Writers Award In prose so precise and beautiful it makes a reader's hair stand on end Brad Watson writes about people and dogs dogs as companions as accomplices and as unwitting victims of human passions and people responding to dogs as missing parts of themselves In each of these stories he captures the animal crannies of the human personality yearning for freedom mourning the loss of something wild drawn to human connection but also to thoughtless abandon and savagery without judgment Ultimately however people are responsible where dogs are not I'm told in medieval times the narrator of the title story tells us animals were regularly put on trial with witnesses and testimony and so forth But it is relatively rare today Funny dark sometimes brutal and stunning in their perfection of expression Watson's stories herald the arrival of a true talent

Why Men Are Like Dogs and Women Are Like Cats Nanette L. Charron, 2011-11-11 Why Men Are Like Dogs and Women are Like Cats is a figurative work inspired by its greatest subjects It explores the many interesting ways men are similar to dogs and how women are similar to cats From mating customs to grooming habits personality traits and historical examples the endless comparisons made are both entertaining and

persuasive The work has wonderful ability to humor and cast a novel light on a subject as universal as cats and dogs men and women How far does our deep connection with these beloved animals extend The amazing similarities and closeness in habits behavior and other conditions presented suggest an unbelievable level of likeness between the species and the sexes

Men of America John W. Leonard,1907 **Risen by Perseverance, Or, Lives of Self-made Men** ,1886 **Albina and the Dog-Men** Alejandro Jodorowsky,2016-05-10 From the psychomagical guru who brought you *The Holy Mountain* and *Where the Bird Sings Best* comes a supernatural love and horror story in which a beautiful albino giantess unleashes the slaving animal lurking inside the men of a small village When two women an amnesiac goddess and her protector a leather tough woman called Crabby arrive in a Chilean desert town Albina s otherworldly allure and unfettered sensuality turn men into wild beasts Chased by a clubfooted corrupt cop evil corporate overlords giant hare riding narcos and Himalayan cultists Albina and Crabby must find a magical cactus that will cure Albina and the men s monstrous affliction before the town consumes itself in an orgy of lust and violence Albina and the Dog Men is Alejandro Jodorowsky s darkly funny shocking and surreal hybrid of mystical folktale road novel horror story and social parable ultimately uniting in a universal story of love against the odds and what makes us human Praise for Albina and the Dog Men Deeply psychological and mysterious the book will stimulate the imagination of the reader s mind to the extreme Marina Abramovi In his latest novel Jodorowsky builds on his multi decade long assault of the public imagination a fantastical and genre defying parable of love and friendship Throughout this dark dream of a novel Jodorowsky s writing is comic and occasionally mesmerizing It is also ripe with horror and philosophical questions about what it means to belong everywhere and nowhere And while some of the subject matter is disturbing it often carries the air of something ancient that you read children by a fire For years Jodorowsky has proven the intensity of his imagination and how far he is willing to go to present his singular vision to the world He is a fully realized artist whose tales demand attention At its core Albina and the Dog Men is a love story about two people committed to one another s survival and to discovering their potential And as with life it is sometimes only through the weathering of a storm that our true capacities are made clear Juan Vidal NPR Books Albina and the Dog Men may be the ultimate piece of Jodorowsky arcana a mind bending adventure story on par with his wildest cinematic visions A surrealist novel par excellence Albina and the Dog Men is a dream a prophecy a hallucination and a transfiguration such as only Jodorowsky could induce Publishers Weekly Composed like a feverish fairytale Albina and the Dog Men is a South American parable of self acceptance and belonging that is fueled by prurience and colored with vivid hallucinogenic details No moment of Jodorowsky s book is at all predictable or familiar and those who have a taste for the uncanny will be in awe over its undulations into strange even godly territory The sensuality of the prose thickens as Albina s situation becomes more tenuous resulting in heady and appealing constructions As Albina and her followers traipse over barren lands and into forests protected by ancient Incans the novel winds toward territory both magical and needfully human The surreal methods of redemption in the novel s final

pages prove both glorious and moving Jodorowsky's is a work of unforgettable weirdness a work whose movements are directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation
