The American Martyrology Fr. Frederick George Holweck,Claudio R. Salvucci,2015-10-10 Most American Catholics are familiar with St Katharine Drexel St John Neumann St Kateri Tekakwitha and Ven Fulton Sheen But how many have heard of Bl Lucas Tristany Or Ven Solanus Casey Or Ven Theresa Dudzik Or Servant of God Gwen Coniker The American Martyrology helps the faithful recall the heroic lives and deaths of dozens of men and women of God with strong connections to the United States Arranged in calendar form the Martyrology is in effect a catalog of national sanctity which assists the faithful to remember those who have died with a reputation for holiness and encourages us to private devotion toward the Servant of God and the spontaneous spreading of his reputation of holiness or martyrdom and of intercessory power

Sanctorum Mater Art 117 In the days of the ancient persecutions local Christians kept the memories of the faithful who suffered and died for Christ These local records were eventually combined to form general martyrologies the most famous of which the Roman Martyrology is used to this day as an official liturgical book But the need for local lists never quite faded and Father Frederick George Holweck 1856 1927 one of America s foremost church historians and hagiographers was the first to publish such a calendar for the United States over 90 years ago The new 2015 edition of The American Martyrology features all the Saints Blesseds Venerables Servants of God and reputed martyrs honored in the U S throughout the year It dramatically expands Holweck s compilation with the dozens of new saints and causes added since then including not only feasts of the national calendar but also those of the traditional Roman calendar such as St Valentine and St Christopher and those of the Ordinariate calendar such as St Alban St Columba and the English martyrs Keep this volume handy for quick

reference or read the entries with the included prayers as a daily devotion to honor the saints throughout the year With rubrics adapted from the traditional office of Prime and featuring extra prayers for the annual commemoration of family members and loved ones The American Martyrology is not merely an invaluable historical collection but a wonderful devotional text and a perfect way to help live the liturgical year at home Notes From the Last Testament Michael Deibert, 2011-01-04 Notes from the Last Testament by veteran reporter Michael Deibert is a riveting narrative account of the events leading up to and including the overthrow of Haitian President Jean Bertrand Aristide A fearless correspondent and a meticulous researcher Deibert traces the rupturing of the social democratic coalition that originally brought Aristide to power and that had been the fruit of years of opposition to the dictatorships and military juntas From chaotic scenes of frenzied mayhem on the streets of the bidonvilles of Port au Prince with their armed gangs and burning intersections to heated debates in the halls of power these dramatic events throw into stark relief the obstacles facing the world's nascent democracies the trend of first world military intervention in third world affairs and the dual legacies of slavery and colonialism In a remarkable and deeply humane synthesis of on the ground perspectives and exhaustive research Deibert sets vivid personal testimonies alongside an analysis of the country's rich history that reaches back to Haiti's first days as a colony to the time of the rebellion led by the former slave Toussaint Louverture and extends to the present ultimately exploring how Aristide once a beacon of populism and democratic aspirations came to embody brutality and misrule in the tradition of his predecessors Along the way Deibert introduces us to the real heroes of the Haitian people's struggle for a just and independent society free from violence and corruption
