The Survival of the Jesuits in the Low Countries, 1773-1850 Leo Kenis,Marc Lindeijer,2019-12-20 How the Jesuits re emerged after forty years of suppression In 1773 Pope Clement XIV suppressed the Society of Jesus For the 823 Jesuits living in the Low Countries it meant the end of their institutional religious life In the Austrian Netherlands the Jesuits were put under strict surveillance but in the Dutch Republic they were able to continue their missionary work It is this regional contrast and the opportunities it offered for the Order to survive that make the Low Countries an exceptional and interesting case in Jesuit history Just as in White Russia former Jesuits and new Jesuits in the Low Countries prepared for the restoration of the Order with the help of other religious priests and lay benefactors In 1814 eight days before the restoration of the Society by Pope Pius VII the novitiate near Ghent opened with eleven candidates from all over the United Netherlands Barely twenty years later the Order in the Low Countries by then counting one hundred members formed an independent Belgian Province A separate Dutch Province followed in 1850 Obviously the reestablishment with new churches and new colleges carried a heavy survival burden in the face of their old enemies and the black legends they revived the Jesuits had to retrieve their true identity which had been suppressed for forty years Contributors Peter van Dael SJ Vrije Universiteit Amsterdam Joep van Gennip Tilburg School of Catholic Theology Michel Hermans SJ University of Namur Marek Inglot SJ Pontifical Gregorian University Rome Frank Judo lawyer Brussels Leo Kenis KU Leuven Marc Lindeijer SJ Bollandist Society Brussels Jo Luyten KADOC KU Leuven Kristien Suenens KADOC KU Leuven Vincent Verbrugge historian

councillor in the Parlement de Paris maître des requêtes under Henry IV and conseiller du roi under Louis XIII. He became a conseiller d'état; he was named Surintendant des finances from August 1624 to June 1626 then Garde des Sceaux until his disgrace in mid November 1630 after the famous Day of Dupes. By his intelligence, energy, experience and probity he was one of the most significant figures in the reign of Louis XIII. Marillac was the principal author of the Ordonnance de 1629, the largest ever codification of French law which was known familiarly by his name, the Code Michau. Chief of the d'ot party, he was among the most influential lay persons active in the establishment in France of the Reformed Carmelites 1602-1604, the Ursulines 1610 and the Oratorians 1611. He achieved one of the best translations of Thomas Kempis's Imitation of Christ and a translation of the Psalms and was the author of several other scholarly works. Traité de l'autorité du pape ... Renaissance de L'enluminure Médiévale Jan de Maeyer, 2007. KADOC Artes 8. The art of illumination usually associated with the Middle Ages experienced a spectacular revival in nineteenth century Western Europe. This completely different context gave the illuminations another import. The output of the lay and religious workshops reveals a great artistic stylistic technical and thematic diversity. The works illuminated go far beyond the world of exceptional and precious manuscripts and include many occasional documents and devotional images richly illustrated with unpublished masterworks. The Revival of Medieval Illumination is an overview of the form by fifteen authors who do not limit their approach to the traditional questions of art history. Rather they explore the historical sociocultural ideological and religious components of the revival which changed according to time and country in order to understand the evolution and success of the art of illumination in the long nineteenth century. *La Crise Religieuse Du XV. In the nineteenth century the foundations upon which the Catholic Church had rested for centuries were shaken; they were shaken by liberalism. At the Vatican Council of 1869-1870 the church made a dramatic effort to set things right by defining the doctrine of papal infallibility. As a result the church became more pope centered than ever before.
