

Encouragement Letter for a Friend

Dear Ronald,

Lately, I came to know about your bad times you are going through. But I must say one thing for sure that time never remains the same. This bad feeling can easily move with a bit of encouragement that you all need to move ahead and face. Nothing remains constant. A person changes his mood, likewise our time. I still remember my worst time when you have always been by my side. Always remember I will be always there for you no matter what.

I came to know about your father's demise. It shook me once for a long, and I can understand your feeling right now. However, all you need is good support. I will never step back to support you and be with you. Still, I remember the wonderful memories that we had along with your father. However, none can deprive you of such memories. Those will always remain in your heart and hence your father.

We are very thankful to God, who made your father be part of your life. He had put a good impact on his 68 years in his surroundings. We can never deny how much he loved you from the bottom of his heart. But his love is ever-lasting though he could not give his physical presence among us. I will surely come and meet you as soon as possible once I am free from official work.

Let me know if you need any support.

Sincerely,
Sam

sometimes led to believe he is As you read these letters you will discover a God who knows your name He knows what you like pecan pie what you are good at drums and ping pong what you dislike broccoli and what makes you happy seeing your loved one at the end of your day And most of all you will discover a God who not only loves you but is very very fond of you Some will use this book as a nightly read Some might find it to be a valuable group study book Others will dip into it from time to time when dealing with issues Some in lands outside the borders of America will read this and perhaps wonder at the images of God presented here For all of you you were kept in mind whether you were born in Africa America Russia Dubai or Des Moines May you delight in discovering a God of great grace and mercy who always has you in his sights **Letters of**

As I was preparing for a walk one morning I looked outside and noticed that there was a very strong wind but the little
hummingbirds were still chasing each other away from the bird feeders on the porch I wondered how such a small bird could
continue to fly in such a wind Then I remembered that the birds would be migrating by the end of September and their little
wings would have to be very strong by then Their adversary the wind was actually helping to make them strong In our lives
as well God uses our tribulations to make us strong strong in withstanding future stresses strong in trusting and relying on
Him strong in understanding and being able to minister to others with similar needs
